

Countdown To Mecca

Seeks to defend the achievements of urban sociology, and its contribution to evaluating theories of the nature and implications of capitalism and modernity. The book reviews the history of urban sociology, theories of uneven development, studies of urban inequalities and analyses of urban culture.

Lexi Austin is living a fantasy. At the stroke of midnight, in the most romantic country in the world, a masked stranger sweeps her into his arms. But when the man turns out to be Quentin Reddick, Lexi's best friend since college, the celebrity chef knows she's in trouble. He may be the most irresistible man on the planet, but the powerhouse attorney is also the world's hardest partying bachelor. The sensual woman he kissed on New Year's Eve is a world away from the fast-talking tomboy Quentin always thought of as a kid sister. Back home in Atlanta, he plans to show Lexi that he's a one-woman man. As desire reignites—even hotter than before—he'll tempt her with his passion. Seduce her with his love. And together, they'll ring in the new year—and every year—in each other's arms....

After Israel declares war on Iran, CIA operative David Shirazi infiltrates the Iranian regime and intercepts information indicating that two Iranian nuclear warheads have been moved to a secure and undisclosed location.

This study examines the US fiction and related films which makes a series of interventions in the cultural debate over the threat of nuclear terrorism. It traces the beginnings of this anxiety from the 1970s, which increased during the 1990s after the collapse of the Soviet Union. The traumatic events of 9/11 became a major reference point for this fiction, which expressed the fear that of a second and worse 9/11. The study examines narratives of conspiracies which are detected and forestalled, and of others which lead to the worst of all outcomes – nuclear detonations, sometimes delivered by suitcase nukes. In some of these narratives the very fate of the nation hangs in the balance in the face of nuclear apocalypse. The discussion considers cases of attacks by electromagnetic pulse (EMP), cyberterrorism and even bioterrorism. Some of the authors examined are present or former politicians, members of the CIA, and former president, Bill Clinton.

Michael Savage has been sounding the alarm on America's liberal maladies for years, gaining a nationwide audience of over ten million. Now, the brilliant best-selling author and sharp, sagacious prophet of the airwaves Michael Savage releases the definitive collection of his written work: all three of his New York Times best-selling books in one spectacular box set. The perfect gift set for Savage's legions of fans, this box set includes his hugely successful *The Savage Nation: Saving America from the Liberal Assault on Our Borders, Language, and Culture*; his popular follow-up *The Enemy Within: Saving America from the Liberal Assault on Our Schools, Faith, and Military*; and his most recent triumph *Liberalism Is a Mental Disorder: Savage Solutions*. This stylish set also includes a bonus CD with a message of encouragement and empowerment from Michael Savage himself.

In his trademark in-your-face style, bestselling author and top conservative talk-show host, Michael Savage has a lot to say about the state of the country in *STOP THE COMING CIVIL WAR*. According to Michael Savage, *OUR NATION IS IN REAL TROUBLE*

and the seeds of a second conflagration have been sown. Not between the states - but between true patriots who believe in our nation's founding principles and those he believes are working every day to undermine them and change the very nature of the country. Michael Savage is convinced we face more than just political differences. He believes the split between right and left is possibly irreparable - unless we understand what's really happening and how we must act to stop it. This fervent warning offers the Savage truth - a call to action in the voting booth - in order to defend the freedoms our Constitution so brilliantly established.

New York Times bestselling author Michael Savage delivers a heartwarming book about his experiences and relationship with his dog Teddy. Listeners know Teddy as the silent "other host" of The Savage Nation. He's at Michael Savage's side during every broadcast, guarding the radio equipment and nipping the engineer's sneakers. But the fun doesn't end when the "On-Air" light goes off. Teddy is Savage's constant companion, in the car, at home, and even shopping. Most important, he's Savage's inspiration, helping him remember the most important things in life are the little things. TEDDY AND ME is a rare glimpse into the life of one of America's most popular talk radio hosts. Come along for the ride as Savage and his best friend explore the streets of San Francisco, ride the "Tedelevator," and read bedtime stories together. If you've ever wondered how the conservative icon who can go from zero to enraged in a matter of seconds has kept his sanity in an insane world, this book has the answer. To the political establishment, he's a force of nature, but to Teddy, Michael Savage is just his "service human." Spend a day in the life of a media giant and the most politically savvy canine alive in TEDDY AND ME.

America's bravest, brashest voice is back?as ferocious and cutting as ever. "Where has six decades of radical, mad-dog liberalism brought us?" Savage asks in his electrifying new book. "I'll tell you where: America is teetering on the cliffs of insanity." Written with the fire, the conviction, and the clear vision of a modern-day prophet, Savage returns with a vengeance in this lightning rod of a book, speaking for all Americans who are fed up and ticked off at the corrosive influence of today's "psycho liberals"?the Democrats, as he calls them. "They're speeding down the pathway of good intentions. Their mantra: Celebrate perversity, embrace ultra-tolerance, pay rape-a-nations (so-called reparations), support affirmative racism, and provide government subsidies for every illegal who sneaks across the border. In their haste to push failed socialist ideals, the libs have placed us on a crash course of total destruction." Even while the heated controversy of his New York Times bestseller, The Savage Nation, still simmers, Michael Savage raises his weapons of matchless wit and moxie again, this time aiming his sights on the liberal assault on our most cherished institutions and taking a stand for our schools, our faith, our police and armed forces, and, most important, our families. It isn't always pretty. You might even at times become uncomfortable. But as you read on, you'll find these pages always contain the Savage truth. That is how to fight the Enemy Within. Filled with riotous rage and blistering humor, this book inspires as it enflames, encouraging Americans to reclaim our country, our government, our national integrity.

For decades, Michael Savage has been preaching his political faith of borders, language and culture to millions on his nationally-syndicated radio show, The Savage Nation. Now, Savage gives his audience a look into his religious faith and his ideas about the Judeo-Christian foundation of the American culture he has fought all his life to preserve. But rather than a dry, theological treatise,

Savage provides something more akin to an ancient mystery text. Drawing on Christian, Jewish, Buddhist and other spiritual sources, as well as autobiographical material and highlights from his radio show, Savage shares a series of glimpses of God he has experienced over the whole of his life, before and after his groundbreaking radio career. Moving childhood stories, his dinner with an atheist and a Buddhist, an interview with a Jewish gangster and Savage's reflections on selected passages from ancient scriptures are just a few of the eclectic group of experiences and insights Savage shares in what is easily the most unique book on spirituality in decades. From his days as a boy growing up in New York City to many years searching for healing plants in the South Seas to his current incarnation as one of the most popular talk radio hosts in the world, Savage has been haunted by glimpses of the divine and struggled to find their meaning. Rather than trite, orthodox answers, **GOD, FAITH, AND REASON** presents the reader with one man's perceptions and consideration of the daily presence of God in the world around us and how the search to find God is the finding itself.

Osama bin Laden's former sister-in-law provides a penetrating, unusually intimate look into Saudi society and the bin Laden family's role within it, as well as the treatment of Saudi women. On September 11th, 2001, Carmen bin Ladin heard the news that the Twin Towers had been struck. She instinctively knew that her ex-brother-in-law was involved in these horrifying acts of terrorism, and her heart went out to America. She also knew that her life and the lives of her family would never be the same again. Carmen bin Ladin, half Swiss and half Persian, married into and later divorced from the bin Laden family and found herself inside a complex and vast clan, part of a society that she neither knew nor understood. Her story takes us inside the bin Laden family and one of the most powerful, secretive, and repressed kingdoms in the world.

Liberalism Is a Mental Disorder- Michael Savage has the cure. With grit, guts, and gusto, talk radio sensation Michael Savage leaves no political turn unstoned as he savages today's most rabid liberalism. In this paperback edition of his third New York Times bestseller, Savage strikes at the root of today's most pressing issues, including: Homeland security: "We need more Patton and less patent leather . . . Real homeland security begins when we arrest, interrogate, jail, or deport known operatives within our own borders . . . One dirty bomb can ruin your whole day." Illegal immigration: "I envision an Oil for Illegals program . . . The president should demand one barrel of oil from Mexico for every illegal that sneaks into our country." Lawsuit abuse: "Lawyers are like red wine. Everything in moderation. Today we have far too many lawyers, and we're suffering from cirrhosis of the economy." "Pure Savage. Very effective, very timely, very hot." American Compass Book Club

Drawing on long-term empirical research into cultural practices, lifestyles and identities, **Globalization and Belonging** explores how far-reaching global changes are articulated locally. The authors address key sociological issues of stratification as analysis alongside 'cultural' issues of identity, difference, choice and lifestyle. Their original argument: Shows how globalisation theory conceives of the 'local' ; reveals that people have a sense of elective belonging based on where they choose to put down roots. Suggests that the feel of a place is much more strongly influenced by the values and lifestyles of those migrating to it ; reinvigorates debates in urban and community studies by recovering the 'local' as an intrinsic aspect of globalization.

New York Times bestselling author and expert in epidemiology Dr. Michael Savage explains the origins of viruses and their impact on the U.S. With new and resurgent diseases resulting from unregulated immigration and a politicized public health system, Michael Savage sees the need for some changes - starting with the President and the Center for Disease Control telling us the truth. Savage makes his case for the government to enforce travel bans, the use of quarantines and the importance of proper border screenings. However, this is not a cure or treatment for any of these diseases. With Zika virus, tuberculosis, hepatitis, Enterovirus 68 and other new disease threats emerging across the U.S., Savage will explain ways to fortify your immune system and defend against these and other diseases. Drawing from his extensive training, Dr. Savage examines the benefits of using specific nutrients to boost the human immune system which, in turn, increases the odds of surviving a viral infection as well as preventing other diseases. Based on his knowledge of the politics of medicine being played by the Obama mandarins and his Ph.D. in Epidemiology and Nutrition from the University of California, Berkley, Dr. Savage presents solid information to protect your health. Whether you want to defend your body against deadly diseases, boost your immunity, or learn more about the government's impact on reemerging and imported diseases, DISEASES WITHOUT BORDERS is your source for informative, helpful, and potentially life-saving advice.

A plane bound for Amman, Jordan goes down in the Caspian Sea. The crash yields no survivors—save the Russian mercenary who hijacked the flight—and a cask containing an agent of unprecedented destructive potential is missing from the wreckage. A carefully plotted terrorist attack has been put into motion, and the resulting chaos might be enough to push America toward another costly war. The one man who might be able to stop the attack is Jack Hatfield, a freelance reporter who has never shied away from controversy. After making a politically incorrect statement about Islamic extremists, he has been discredited as a journalist and left to pick up the pieces of his career. But when his half-brother Sammy calls him, saying that his neighbor Ana overheard something she shouldn't have and now both their lives are in danger, Jack realizes he's stumbled upon a conspiracy to destroy Mecca. Now he, and a group of likeminded friends on the fringes of the law, must uncover who is behind the plot and stop them—or else witness the collapse of the world into a war of mutually assured global destruction. Michael Savage's COUNTDOWN TO MECCA is a gripping page-turner that takes readers on a journey where even the seemingly innocent aren't always innocent, the loyal aren't always loyal, and that even those counted on to serve their country, cannot always be counted on to protect it. With the threat of a third world war looming, Jack Hatfield must stop the destruction... before somebody can stop him.

An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history. The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel-Arab conflicts. A surprise Arab attack on two fronts on the holiest day of the Jewish calendar, with Israel's reserves un-mobilized, triggered apocalyptic visions in Israel, euphoria in the Arab world, and fraught debates on both sides. Rabinovich, who covered the war for The Jerusalem Post, draws on extensive interviews and primary source material to shape his enthralling narrative. We learn of two Egyptian nationals, working separately for the Mossad, who supplied Israel with key information that helped change

the course of the war; of Defense Minister Moshe Dayan's proposal for a nuclear "demonstration" to warn off the Arabs; and of Chief of Staff David Elazar's conclusion on the fifth day of battle that Israel could not win. Newly available transcripts enable us to follow the decision-making process in real time from the prime minister's office to commanders studying maps in the field. After almost overrunning the Golan Heights, the Syrian attack is broken in desperate battles. And as Israel regains its psychological balance, General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line -- the turning point of the war.

In the follow-up to the #1 New York Times bestseller *Trump's War*, Michael Savage makes the case for President Trump in 2020. America rolled into 2020 like a juggernaut, with the strongest economy in its history and a renewed leadership role on the world stage. President Trump was cruising to reelection on the strength of record low unemployment, phase one of a historic trade deal, and a more stable Middle East after the defeat of ISIS. Then, catastrophe struck. A novel coronavirus originating in Wuhan, China, swept the world, taking hundreds of thousands of lives and wreaking economic and social destruction. As America battled to its feet and prepared to reopen its economy, the tragic death of George Floyd at the hands of a police officer lit a powder keg of political tension waiting to explode after months of lockdown. As the November elections approach, America is at war with itself to decide if it will remain a land of freedom and opportunity, or whether a radical new vision will emerge. Americans are searching for answers. Was the American lockdown necessary to defeat Covid-19 or was it a politically motivated strategy to harm President Trump's reelection chances? Does the death of George Floyd represent a systemic problem with American police or is the Left exploiting the tragedy for political purposes? Where does legitimate protest end and insurrection begin? A trained scientist who studied epidemiology for his PhD and one of America's most popular conservative radio hosts for the past twenty-six years, Dr. Michael Savage is uniquely positioned to answer these burning questions. In *OUR FIGHT FOR AMERICA: THE WAR CONTINUES*, Savage cuts through the propaganda and noise to present a clear analysis of the crises and the political and scientific motivations behind them. Michael Savage tells the truth even when nobody wants to hear it and presents a clear vision of what Americans must do to survive our most turbulent period in decades.

In this gripping sci-fi noir for fans of *The Martian* and Quentin Tarantino, when an anarchic android begins wreaking havoc on a moon-based penal colony and bodies start turning up, an exiled detective must decide who he can trust in a city of criminals. Never bang your head against a wall. Bang someone else's. Purgatory is the lawless moon colony of eccentric billionaire, Fletcher Brass and mecca for war criminals, murderers, and curious tourists alike. You can't find better drugs, cheaper plastic surgery, or a more ominous travel advisory anywhere in the universe. But trouble is brewing in Brass's black-market heaven. When an exiled cop comes to enact law and order in this wild new frontier, he finds himself the lead investigator in a series of high-profile murders that puts him toe to toe with the city's charismatic founder and his equally ambitious daughter. Meanwhile, 2000 km away a memory-wiped android, Leonardo Black rampages across the lunar surface. Programmed with only the notorious "Brass Code"—a compendium of corporate laws that would make Ayn Rand blush—he journeys across the dark side of the moon with only one goal in mind: find Purgatory and conquer it.

It's meant to be the triumphant debut of the Ares, a US superjet named after the Greek God of war. With its ultra powerful laser and ability to

easily outmaneuver anything else in the sky, the Ares opens a new era in warfare. But when it is stolen before of a crowd of international dignitaries, the President and his defense staff must use outdated technology to try to stop their creation from sparking a war between civilizations. It's up to Colonel "Jesse" James to save the world from impending doom. But the obstacles will be numerous. He faces suspicion from the President's chief advisor, a romantic interest with unknown allegiances, and a terror plot that seems too obvious to be true. In his fourth novel, Stewart is in top form- fusing a high octane plot with hair raising flight scenes drawn from his career as a fighter pilot. "The plane's the real star, of course, and the book soars when it's in its natural habitat, the sky." - Publishers Weekly

From Michael Savage, The New York Times bestselling author of Abuse of Power and radio host of The Savage Nation, comes a powerful new thriller, A Time for War. A Chinook helicopter carrying a squad of Navy Seals suddenly plummets to earth in Afghanistan. A car driven by FBI agents tailing a suspicious vehicle is mysteriously rendered immobile in San Francisco. The body of a Chinese agent is found floating miles from the Golden Gate Bridge after being fed to sharks. The U.S. is under secret attack and only Jack Hatfield, a popular television host hounded from his position by left-wing forces in the media for speaking the truth, suspects the danger of this lethal conspiracy. With the help of Dover Griffith, an idealistic young woman staffer at the Office of Naval Intelligence, Hatfield pursues a trail leading to a billionaire American electronics entrepreneur who has sold out his own country with the help of officials at the highest level of the American government. As enemy operatives plan a two pronged attack that will disarm the American military and release a deadly toxin killing hundreds of thousands of civilians, Hatfield and Dover race to locate this new Ground Zero and save an unsuspecting county.

Forced into freelance work after a radical watchdog group's smear campaign, former prominent war correspondent Jack Hatfield ignores FBI warnings to stay away when he stumbles on a large-scale terrorist plot that prompts his partnership with a seductive Yemeni intelligence agent and a veteran Green Beret. By the author of The Enemy Within. 250,000 first printing.

Savage s funniest, most biting book yet takes readers through the zoo of political debate, identifying and describing today s major players as the animals they resemble"

"Tells the story of the Nation of Islam -- its rise in northern inner-city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan."--Page 4 of cover.

MICHAEL SAVAGE PREDICTED THE CHAOS THAT IS OBAMA'S LEGACY. NOW HE TELLS US WHETHER THE DESTRUCTION CAN BE STOPPED! The prophetic author of the bestselling Government Zero, Dr. Michael Savage is back with his most urgent and powerful work. Listeners to Dr. Savage's top-rated radio talk show, The Savage Nation, know him to be an articulate and engaged spokesman for traditional American values of borders, language, and culture. Now, after eight divisive years of Barack Obama, Dr. Savage lays out an irrefutable case for how our nation has been undermined by terrorists from without, by anarchists from within, by a president and politicians with contempt for the Constitution and the law, and by a complicit liberal media. With words and topics that are as insightful as they are timely, he makes an ironclad case for the dangers we face from Hillary Clinton and her fellow travelers in the progressive movement. He also explains why Donald Trump may be one of the two best hopes for America's future as we try to regain control of our government, our country, and our national soul. The other hope? As Dr. Savage explains in some of his most heartfelt and passionate words, it is we, the people: the ordinary "Eddies," as he calls them-motivated, roused, and engaged. This book is about much more than an election. It is a veteran commentator and celebrated raconteur providing a blueprint for how to regain our cherished freedoms and our national identity . . . before they are lost forever.

From New York Times bestselling author and nationally syndicated radio talk-show host Michael Savage comes a high-intensity debut thriller, the story of a smeared network journalist who uncovers a chilling terrorist plot. Jack Hatfield is a hardened former war correspondent who rose to national prominence for his insightful, provocative commentary. But after being smeared as a bigot and extremist by a radical leftist media-watchdog group, he ultimately loses his job and finds himself working in obscurity as a freelance news producer in San Francisco. One afternoon Hatfield is on a ride-along with the SFPD bomb squad when a seemingly routine carjacking turns deadly, after police find several pounds of military-grade explosives in the jacked car. And when the FBI urges Hatfield to stay out of it, he knows he's onto something big. This event will open up a shadowy trail that leads Hatfield from San Francisco to Tel Aviv, London, Paris, and back again, as he works with a stunning Yemeni intelligence agent and a veteran Green Beret to expose a terrorist group known as the Hand of Allah—and a plot within the highest corridors of power that will dwarf September 11th. Abuse of Power is a lightning-paced thriller, spanning the globe from Europe and Israel to the back alleys of San Francisco's Chinatown. Jack Hatfield must make the choice between protecting his own life and investigating a terrorist cell whose goal is nothing less than total political control—no matter what the cost.

Freelance reporter Jack Hatfield stumbles upon a conspiracy to destroy Mecca and enlists the help of his friends operating just outside the reach of the law. By the best-selling author of Abuse of Power.

From bestselling author of Stop the Coming Civil War, Michael Savage reveals the massive dangers currently leading to the demise of our government. Michael Savage has been warning Americans for decades and now it's here. In GOVERNMENT ZERO: No Borders, No Language, No Culture, Savage sounds the alarm about how progressives and radical Islamists are each unwittingly working towards similar ends: to destroy Western Civilization and remake it in their own respective images. These two dark forces are transforming our once-free republic into a socialist, Third World dictatorship ruled by Government Zero: absolute government and zero representation. Combining in-depth analysis with biting commentary, Savage cuts through mainstream media propaganda to reveal an all-out attack on our borders, language and culture by progressive travelers who have hijacked public policy from national defense to immigration to public education. Find out everything you need to know about this terrifying agenda to weaken the U.S. military, cripple the American economy, subvert basic American liberties such as freedom of speech, and destroy the international world order. There is no time to lose. The Progressive-Islamist agenda has advanced into every public space, from the White House to the military to your local public school. If America is to survive, it has to be stopped. Michael Savage has a plan. Get the inside story before it's too late.

In The Siege of Mecca, acclaimed journalist Yaroslav Trofimov pulls back the curtain on a thrilling, pivotal, and

overlooked episode of modern history, examining its repercussions on the Middle East and the world. On November 20, 1979, worldwide attention was focused on Tehran, where the Iranian hostage crisis was entering its third week. That same morning, gunmen stunned the world by seizing the Grand Mosque in Mecca, creating a siege that trapped 100,000 people and lasted two weeks, inflaming Muslim rage against the United States and causing hundreds of deaths. But in the days before CNN and Al Jazeera, the press barely took notice. Trofimov interviews for the first time scores of direct participants in the siege, and draws upon hundreds of newly declassified documents. With the pacing, detail, and suspense of a real-life thriller, *The Siege of Mecca* reveals the long-lasting aftereffects of the uprising and its influence on the world today.

Michael Savage—conservative talk radio host and #1 New York Times bestselling author—takes on President Obama's socialist agenda, his Chicago-style strong-arm tactics, and his Lenin-like complex in *Trickle Up Poverty*. Savage's quest is to help American's save America from economic Armageddon, and *Trickle Up Poverty* addresses everything from the global warming myth to the health care debacle to the Tea Party revolution, in an essential conservative manifesto that anyone who loves Sean Hannity, Rush Limbaugh, Bill O'Reilly, Glen Beck, and Dick Morris must read.

A Shocking Bible Discovery found in the Dead Sea Scrolls! After forty years of research in the Biblical text, this book came about while studying Biblical manuscripts in their original Greek. I was given a project by my Greek professor to research the Dead Sea Scrolls. This research changed my life, my belief about time and the books of the Bible. While researching the Dead Sea Scrolls, I found two historical books that were in the Bible during Jesus time on this Earth. So I ask this question: Why did man remove these books? The deeper I studied I discovered that our Bible should have seventy books instead of sixty-six. Six is the number of man and a number representing incompleteness. Sixty-six doubles its meaning, and the number 666 needs no explanations. "Men do resist God's will today" (2 Peter 3:9). While researching the subject I encountered extreme opposition. The books of the Bible should be divisible by seven. So, we are missing one New Testament book and three Old Testament books to make a seventy book Bible. Have we been deceived by our religious leaders and science community? Does all time truly consist in a 7,007-year window? This book is written from the complete seventy-book Bible which was revealed in the Dead Sea Scrolls. Do the scrolls reveal angels mating with the daughters of Adam? Where did the giant human originate? Have we all been lied to about Genesis 6 and the events during the days of Noah? Are angels and demons masquerading as aliens and UFOs in a great end of time deception? Will the dollar collapse by 2022? Will the U.S. be destroyed in one day by 2028? "However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come," (John 16:13-14).

#1 NEW YORK TIMES BESTSELLER The wall, taxes, tariffs, deportations, Obamacare, guns, military strength, schools, abortion, religion - what will the new president do? The "Godfather of Trumpmania," Michael Savage, examines the initial appointments, speeches, tweets and history of Donald Trump and offers his insights and analysis. The man many consider to be the determining factor in driving Trump over the finish line by motivating millions of undecideds and the "Deplorables," who would have otherwise sat out the election, provides a crucial first look at the early direction of the Trump presidency. Savage has waged a twenty-five year war on the radio to save America's borders, language and culture from a progressive onslaught that is already turning Europe into a socialist, multiculturalist nightmare, where violent gangs of radical Islamic refugees terrorize defenseless citizens on a daily basis. While most in the chattering classes around the world dismissed Trump's campaign, conservative radio icon Dr. Michael Savage championed Trump's platform and helped him galvanize the support of disaffected middle Americans left behind by the globalist central planners in their distant capitol. Savage's army of listeners on The Savage Nation was instrumental in electing Donald Trump to take the fight to Washington. But electoral victory was only the beginning. Trump now has an even bigger challenge in delivering on the promises he made to millions of American voters. He faces relentless opposition from special interests in both parties who stand to lose trillions if Trump's America First policies become the law of the land. Dr. Michael Savage has been on the front line of this fight for decades and knows what Trump and his administration are up against. He lays out a path to victory for the new, conservative American revolutionaries in Trump's War. Michael Savage attacks big government and liberal media bias. The son of immigrants, Savage shows how traditional American freedoms are being destroyed from the outside and undermined from within-not just our own government, but also from alien forces within our own society. Savage argues that if the price of liberty is eternal vigilance, then only a more "savage nation" will enjoy these liberties. Savage's high ratings and the rapid growth of his program prove he is in touch with the concerns of the average American.

Michael Savage predicted the chaos that is Obama's legacy. Now he tells us whether the destruction can be stopped! The prophetic author of the bestselling *Government Zero*, Dr. Michael Savage is back with his most urgent and powerful work. "A blazing flamethrower of truth, Michael Savage pulls no punches and goes right for the jugular with facts, not vacuous hyperbole." —Ted Nugent, Washington Times Michael Savage, the mega-popular radio host and New York Times bestselling author of *Trickle Up Poverty*, offers an explosive election-year call to arms to retake the White House from the clutches of tyranny and preserve American greatness. Staunchly determined to help "crush Barack Obama's dreams of a Socialist America," Savage unleashes a relentless barrage of conservative common sense in *Trickle Down Tyranny*, designed to help patriotic citizens preserve what is good and right in our imperiled nation.

Bringing together the expansive scholarly expertise of former students of Professor Michael Allan Cook, this volume contains highly original articles in Islamic history, law, and thought. The contributions range from studies in the pre-Islamic calendar, to the "blood-money group" in Islamic law, to transformations in Arabic logic.
