This textbook offers thorough and comprehensive analysis of each aspect of the TOEIC(r) Test, as well as the opportunity for extended practice. All types of listening scripts and reading texts are clearly presented in individual units with examples and discussion of the mechanics of each question type. Each unit is followed by practice questions. Once familiarization is complete, students can use what they have learned in eight complete practice tests that accurately reflect the format and difficulty level of the examination. At the end of each test, students can evaluate their performance and understand their mistakes by consulting the explanatory key. Quick identification of weaknesses is achieved through a specially designed Diagnostic Test; the study focus guide that accompanies it refers students to the sections where the question types they had difficulty with are discussed and practiced. Suitable for classroom use or self-study, Prepare and Practice for the TOEIC(r) Test can be used as a quick reference practice book, or as a complete course. Its versatility and thoroughness make it an indispensable aid to prospective TOEIC(r) test takers.

Entry Tests for the Revised Cambridge Proficiency Examination 1 and 2 by Virginia Evans each contain ten complete tests. Each test consists of Reading and Use of English exam tasks, as specified by Cambridge ESOL, and provides systematic preparation for those CPE candidates who need to sit the CPE Entry Test or any other examinations at the same level. Practice Tests for the Revised CPE 1 by Bob Obee and Practice Tests for the Revised CPE 2 & 3 by Virginia Evans contain six complete practice tests each to prepare students sitting the University of Cambridge Revised Certificate of Proficiency in English Examination as well as any other examinations at the same level. The tests, developed by experienced authors, have been designed to reflect the specifications of the revised CPE, which was introduced in December 2002.
