"Writing Science is built upon the idea that successful science writing tells a story, and it uses that insight to discuss how to write more effectively. Integrating lessons from other genres of writing and years of experience as author, reviewer, and editor, Joshua Schimel shows scientists and students how to present their research in a way that is clear and that will maximize reader comprehension ... Writing Science is a much-needed guide to succeeding in modern science. Its insights and strategies will equip science students, scientists, and professionals across a wide range of scientific and technical fields with the tools needed to communicate effectively and successfully in a competitive industry."--Back cover.

This book, newly updated, contains now several HTML tables of contents that will make reading a real pleasure! The first table of contents (at the very beginning of the ebook) lists the titles of all novels included in this volume. By clicking on one of those titles you will be redirected to the beginning of that work, where you'll find a new TOC that lists all the chapters and sub-chapters of that specific work. This book contains the complete novels of Charles Dickens in the chronological order of their original publication. - The Pickwick Papers - Oliver Twist - Nicholas Nickleby - The Old Curiosity Shop . - Barnaby Rudge - Martin Chuzzlewit - Dombey and Son - David Copperfield - Bleak House - Hard Times - Little Dorrit - A Tale of Two Cities - Great Expectations - Our Mutual Friend - The Mystery of Edwin Drood

Three of the brilliant novelist's best-known classics in one volume, offering a wide-ranging portrait of nineteenth-century British society. A perfect introduction to the world of Charles Dickens, this volume contains three of his greatest novels. Little Dorrit: An epic tale of two families in Victorian England, one wealthy and the other living in a debtors' prison, and their shifting fortunes. David Copperfield: A sprawling masterpiece—and the inspiration for the new film starring Dev Patel—about a boy making his way to manhood in nineteenth-century England. Hard Times: A young girl from the circus world is taken in by a repressed school superintendent and his family in a dreary mill town—and brings unexpected change to their lives.

William Dorrit, imprisoned as a debtor, has been a resident of Marshalsea debtors' prison for so long that his three children – snobbish Fanny, idle Edward and Amy (known as Little Dorrit) — have all grown up there, and Amy was born there. Their mother is dead and Little Dorrit, devoted to her father, supports them both through her sewing.

For more than fifty years Red Barber was the voice of baseball. The game was broadcast sporadically until the late 1930s, when Barber burst into prominence by bringing it home to radio listeners, play by play. More than half a century later, he could still be heard, broadcasting over National Public Radio from his retirement home in Tallahassee. Announcing for the Brooklyn Dodgers and later for the New York Yankees, he became a legend long before his death in 1992. Red's story reveals the growth and changes in baseball over the years, the demands of sportscasting, and the difference between radio and television reporting. Here is Red giving major play-by-plays of his own life and career with characteristic wit and integrity.

Small City Big Paper By: A-Town Avery Haigler aka A-Town better known as Mr. 803 was born and raised in Orangeburg, South Carolina. Growing up in the poverty stricken part of the city led Avery to a life of crime at a very young age. With his first arrest coming at the age of 9 years old. Always wanting more and having street savvy with book smarts to match led to a career criminal in the making. In and out of juvenile detention, jail and prison from the age of 10 up until his final arrest at the age of 26 that landed him in federal prison with a 10 year sentence for drug conspiracy and money laundering. Avery went from petty criminal to one of the largest drug dealers in his city during his era. From basically having nothing to becoming a millionaire off the drug trade all while in a small city known as Orangeburg. While incarcerated in the Federal Prison, Avery read numerous urban novels that depicted the drug scenes in major cities. He then realized that while he was from a small city, the drug scene in Orangeburg was on a major level like in bigger cities, which let him to writing this book. Letting readers know that even though Orangeburg is a small city, it's some Big Paper (serious money) being made there. Since his release from federal prison in March of 2017, Avery has been working a regular 9 to 5 job and enjoying life spending time with his family and 7 beautiful kids. Also, he has a promotion company called 'I Ain't Press Entertainment', in which he promotes parties, events and local artists. He is also investing into real estate with hopes of having 10 rental properties by his 40th birthday.

Finally, an organizational book for women who have given up trying to be Martha Stewart but still desire some semblance of order in their lives.
