What are the metaphysical commitments which best 'make sense' of our scientific practice (rather than our scientific theories)? In this book, Andreas Hüttemann provides a minimal metaphysics for scientific practice, i.e. a metaphysics that refrains from postulating any structure that is explanatorily irrelevant. Hüttemann closely analyses paradigmatic aspects of scientific practice, such as prediction, explanation and manipulation, to consider the questions whether and (if so) what metaphysical presuppositions best account for these practices. He looks at the role which scientific generalisation (laws of nature) play in predicting, testing, and explaining the behaviour of systems. He also develops a theory of causation in terms of quasi-inertial processes and interfering factors, and he proposes an account of reductive practices that makes minimal metaphysical assumptions. His book will be valuable for scholars and advanced students working in both philosophy of science and metaphysics.

Much has been said about the law of attraction and some have called it “the secret”. However, this topic is only a secret for those that didn’t know it yet as it has been mentioned and used for thousands of years. Most of the information is kept under the cover of faith and religious believe, and many have used this knowledge to control people and lead them within political agendas; others have used it for personal gaining while hiding it from everyone else. Whatsoever is the case there’s still plenty to learn about the law of attraction or the law of dream manifestation. Most books discussing it will show strategies, techniques and methods to obtain what we wish for in our life but they still hide the main secrets. These Authors show us what to do but not how it works, why it works or the purpose of its existence. After decades of personal studies on spirituality, a simplification within a specific theory was possible to explain more than anyone ever said about this issue. This book doesn’t intend to represent any religious dogma in particular and was written based on the insights from several spiritual believes, ancient and modern, as well as known and secret to the public. Religion promotes a life philosophy and, although very misleading, also talks about universal truth. This paradigm is being noticed by modern science, which in some fields attests the dogma and in others reveals its fallacy. We’re now much closer to know what is true, false or merely half-true. Quantum Physics, for example, is still at its starting point but much has explained already. Willing to describe a more complete understanding matching all these subjects, the Author will here reveal what he knows with a reasonable and humble perspective based on personal experiences. This book will not make any promises regarding becoming a millionaire or famous and none of the theories here exposed are immune to failure. Instead, it will explain how personal and spiritual growth matches the law of attraction and how we can understand life and the changes in our reality better while applying the necessary responsibility we must have as the spiritual beings that we are. The following chapters are supported by the Author’s background and studies in Religious Societies, Greek Philosophy, Chinese Philosophy, Modern Psychology and Psychopedagogy, related to the mechanism of life and the anatomy of the spirit, as well as these sources’ acknowledgement in what can be applied to the law of attraction. The theory presented is complete, flexible, simple and practical, allowing an easy assimilation to any lifestyle. With this knowledge the reader will have the power to change reality and manifest his own desires, while understanding all the dynamics involved in such process. The major success of the first edition wasn’t expected but the Author took into consideration all kind opinions and uplifting reviews to improve this second edition and make it even more powerful and accessible to anyone. You have now in your hands a book that has been recommended by famous Entrepreneurs as being in the same level as Napoleon Hill “Think and Grow Rich” and Wallace D. Wattles “The Science of Getting Rich”, both books that inspired the movie “The Secret” and all the speakers in it. But also a book that climbed rapidly into the Bestsellers list of Amazon soon after being published for the first time. This is truly the most revealing book about the Secrets behind “The Secret”.

From The MOSES CODE: When the Moses Code was first revealed to the Israelites, some of the greatest miracles in history were performed. Shortly afterward, influential leaders decreed that the inherent energy was simply too vast and potentially dangerous to be used by anyone other than the highest initiates.... It's now time for all of us to master the Code as well - not just to add riches to our lives, but to create a world based upon the laws of compassion and peace. We're being offered the most powerful tool in history for creating our reality. This isn't a New Age fairy tale; it's real and true. We need enlightened souls to finally manifest the world of our dreams. It's easy to look at the earth and see the devastation of unconscious manifestation. Our planet didn't arrive at the brink of such terror on its own but through our collective decisions. The question now is simply: Will we choose this again, or will we finally and resolutely decide to follow the call of the soul rather than the pandering of the ego? Whatever we genuinely feel, the world and everything in it will transform in order to match that belief. You have an essential and individual role to play, and that's why this book has found you. For now, relax and enjoy ... you're about to go on a journey that will change your life!

Invisible Truth The Supreme Source of Infinite Manifestation Christina Wollebek-Smith with Marty Smith 267 pages. Prologue* The world of science and the world of religion (faith) are not exclusive; they're symbiotic. The only difference is the interpretation of what miracles are.* Science has proof positive that all of the universe is made up of energy, including the human race, and all animals for that matter. The various faiths of the world concur.* Energy cannot be created nor can it be eliminated. Its direction, however, can be changed.* The Nine Laws and Principles of Invisible Truth explain how to direct energy in a way that creates (manifests) abundance in our lives through directed, organized energy.* These laws and principles show exactly how to use directed energy in our lives to manifest what we desire.* Throughout the book we show how the world of science and the world of faith are congruent in these Nine Laws and Principles.* The importance of this message is in the use of the Nine Laws and Principles. If you wish to go directly to causing immediate change in your life, start with Part Two of Invisible Truth. The remainder is the reasoning behind our stance. This is a 4 part book. Part 1: In the Beginning. What is Invisible Truth. Manifestation. Aether. Part 2: The Bucket. Living in the Now. Thought. Words. Belief. Work. Thankfulness. Forgiveness. Giving and Receiving. Environment. Putting it Altogether. The Last Words. Part 3: Our Stance. Cosmic Consciousness. Unveiling the Neural Mysteries. Your Extended Environment. Part 4: About the Author. Afterthought. This book explores the ability of our self to change the neural pathways through which our reactions to exterior stimuli travel, thereby changing our perceptions...thus allowing us the ability to control the direction of our lives. There is about five years of research behind this work. We spell out how to actually change brain patterns in a natural way. This is beyond Rhonda Byrne's book, "The Secret," on steroids. This is "A Course on Miracles" in a way that is not only coherent, but applicable. This book explains the religion of science, and the science of religion.

This inspiring book is not just another "how to book" that you will find in the psychology, finance, business or self-help aisles of your local book store, nor will it be placed solely on the philosophy or spiritual shelves. However, the compelling messages in this fascinating book can easily be found in any of these venues. The universal messages throughout this groundbreaking book are centered on the mysterious theory of the "80/20 law," which approximately 80 percent or more of today's population isn't familiar with. In today's society there is an esoteric 20 percent group of successful dreamers and thinkers who understand the workings of this positive "spiritual law," and use it to manage their personal problems, achieving their dreams and goals by using only their own resources. You can now step away from the "trivial many" and become a part of the "vital few" who have it all. You will find the answers you seek in Dream It First: The 80/20 Law to Manifestation of Dreams and Goals So dreamers, let's get started! About the Author: Jacqueline R. Quran and My Qibla / Kitaaba Wal-Hikmata – IV represents the authority of infallible and unerring revelations removing all doubts and it speaks for itself. Over thirty years ago, a small band of people began an intentional community called Findhorn. They lived by applying principles of attracting to oneself, through love, whatever materials, energy, or help were needed to promote wholeness or further growth. David Spangler, who was one of those early residents of Findhorn, began writing down how those laws worked. In 1975, his writings were first published as The Laws of Manifestation. This long-unavailable book is now available again with a new introduction by the author. Spangler shows how we can all transform our lives by working with these natural laws. In clear and lucid prose, he recounts the history of manifestation and how to grow in spiritual riches (the most important of all) in a step-by-step guide to enlightenment. While other experts in this suddenly burgeoning field tend toward applying manifesting energy toward real estate, money, and myriad materials, Spangler looks at the basis of what he describes as a change of form, or state, or condition of being, NOT creating something out of nothing.

In this book, the author writes vividly about the person of the Antichrist and his manifestations. In part 1, he interprets the book of Revelation to expose the hidden kingdom of the Antichrist and the False Prophet. In part 2, he interprets many prophetic visions and dreams seen by some people of God in US during the period 2003 to 2005. He then interprets his own dreams and visions seen by him during 1980s.

Through these prophetic visions and dreams, he validates the revelations in the book of Revelation. In part 3, he writes about the end-time events, especially, the plagues like corona virus, etc, that afflicted the world in March 2020 as an end-time event. People affected by corona virus were those who worshipped the beast and his image and who have not come out of the fallen Babylon. According to the author, these people had the mark of the beast on their foreheads suffering from the plagues unleashed by Apollyon, the fallen angel of the bottomless pit. Nowadays, we read many articles on the Antichrist. Many writers opine that the Antichrist is yet to rule this world and those national leaders of this world are on the lookout for one world ruler with charisma who can bring peace to this strife-torn world and who can avert a possible third world war. Some writers are of the view that the Antichrist will be a Jew who would be accepted by the nation of Israel as the Messiah. Some others hold the view that the Antichrist is the Pope of Rome. In this book, the author was inspired by the Holy Spirit to expose the

Antichrist on the basis of the Scriptures in the prophetic book of Daniel, and the New Testament books of 2 Thessalonians, I and II John and Revelation. We have been taught for decades that the Antichrist is the one who would make a debut towards the end of the age and would persecute the true Christians. Let us study the book of Revelation prayerfully. The whole book of Revelation is allegorical only. It has to be interpreted prophetically. The 13th chapter of Revelation reveals the personality and the character of the Antichrist, the first beast and of the False Prophet, the second beast. John does not give us the specific titles or names he saw on the head of the beast rising from the sea. But we can infer something of their nature by understanding John's times, and noting that each of the beast's heads had a "blasphemous name" (verse 1). This symbolism identifies the beast as the Roman Empire. Till this day as you read this message, the Antichrist is not yet revealed. When he is revealed in the world, we will come to know of him. He will be revealed in flesh and blood. He may be an apostate Christian from the Jewish race. Paul reveals this person as "the Wicked", "the man of sin", and "the son of perdition". The Antichrist is the king of an invisible kingdom, which will become powerful in the last of last days. This invisible kingdom will be visible to us through its world rulers. He influences some political leaders or the rulers of some powerful Christian nations to do his own will. If he influences non-Christian nations, we can easily identify him and his hidden agenda against the Church. In some Christian nations, certain laws were passed which directly impacted the Church. These rulers, in order to win the great multitudes of non-Christian population in their countries and other nations, have compromised the Word of God and the Christian faith.

Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

This title contains two books, which are the following: Book 1: Have you seen any signs from the universe? Are things going your way or do you wish that things would be better? These are some of the things people asking themselves when they want to work on their future. I hope you have asked yourself the same things, because the secret key is in the chapters of this book. The first part of this book will go over finding your soulmate. Once you have found him or her, be sure to fight to keep the relationship intact and don't lose it. Next, the book will talk about reasons that you might not be

rich yet. Sure, there are the obvious ones, like the economy or your job, but there may be hidden factors that are blocking you from achieving the income level that you are after. In the last section of this guide, you will be shown what kinds of signs the universe puts in your path. To ignore them, would be foolishness. Therefore, learn more about them, and you will have greater success in aligning your with the universe's. Book 2: How can you be happier? What does science say about it? These and many other questions will be answered. There is a literal Q&A in this book about the law of attraction, joy, and other topics related to it. Another topic in this book, is vibrations. As some of us know (maybe you do, too), the law of attraction is based on vibrations. Those vibrations are sent out and attract the things we want because of our thoughts and behavior. Raising our vibrations, therefore, would be crucial to accomplish our dreams. Here, you will learn how to do that, because it is definitely possible.

Advanced teaching concerning the Lord of the World (Sanat Kum?ra), and the higher Initiations are provided.
