

Night Flight Antoine De Saint Exupery

This magical coloring book features original illustrations and memorable quotes from Antoine de Saint-Exupery's masterpiece, *The Little Prince*. The delicate and highly detailed line illustrations are waiting to be brought to life with your favorite colored pencils or fine markers. Little Prince fans of all ages will find pleasure in this sophisticated and creative book.

The World War II aviator and author of *The Little Prince* tells his true story of flying a reconnaissance plane during the Battle of France in 1940. When the Germans first invaded France in May of 1940, the French Air Force had a mere fifty reconnaissance crews, twenty-three of which served in Antoine de Saint-Exupéry's Group II/33. After only a few days, seventeen of the crews in Saint-Exupéry's unit had already perished. *Flight to Arras* is the harrowing story of a single mission over the French town of Arras, an endeavor Saint-Exupéry realized the futility of even as he witnessed it unfolding. Filled with tension, emotion, philosophy, and historical detail, and penned by a master storyteller, this extraordinary memoir serves as a record of a little-known chapter of the Second World War, and an unforgettable portrait of the brave souls who fought despite desperate odds.

Illustrated Version *The Little Prince* *Le Petit Prince* By Antoine de Saint-Exupéry *The Little Prince: The Childrens Classic Novella* *The Little Prince* is a poetic tale, with illustrations by the author, in which a pilot

stranded in the desert meets a young prince fallen to Earth from a tiny asteroid. The story is philosophical and includes social criticism, remarking on the strangeness of the adult world. It was written during a period when Saint-Exupery fled to North America subsequent to the Fall of France during the Second World War, witnessed first hand by the author and captured in his memoir *Flight to Arras*. The adult fable, according to one review, is actually "...an allegory of Saint-Exupery's own life--his search for childhood certainties and interior peace, his mysticism, his belief in human courage and brotherhood, and his deep love for his wife Consuelo but also an allusion to the tortured nature of their relationship."

Though ostensibly styled as a children's book, *The Little Prince* makes several observations about life and human nature. For example, Saint-Exupery tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: *On ne voit bien qu'avec le coeur. L'essentiel est invisible pour les yeux.* ("One sees clearly only with the heart. What is essential is invisible to the eyes.")

Other key thematic messages are articulated by the fox, such as: *Tu deviens responsable pour toujours de ce que tu as apprivoise.* ("You become responsible, forever, for what you have tamed.") and *C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante.* ("It is the time you have lost for your rose that makes your rose so important.") The fox's messages are arguably the book's most famous quotations because they deal with human relationships.

Perfect for bedtime snuggles! When the sun sets, *The*

Little Prince and his friend the Fox watch the spectacle of the stars in the sky and prepare to sleep. Widely read and universally cherished by children and adults alike. The book has a built-in moon shaped nightlight that emits a soft light when pressed and uses replaceable batteries. Nightlight turns off after 30 seconds. Built-in nightlight that uses replaceable batteries; Timeless and enchanting tale of a little prince; Classic artwork; This story will capture the hearts of readers of all ages.

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. The Tale of the Rose is

Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they

would go their separate ways, but always they would return. The Tale of the Rose is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, The Little Prince was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. The Tale of the Rose is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as The Little Prince. Praise for The Tale of the Rose “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, The Tale of the Rose is a book to read for its strength of character, and for the adventure that it offers.”—Elle

A poetic and nuanced exploration of the human experience of flight that reminds us of the full imaginative weight of our most ordinary journeys—and reawakens our capacity to be amazed. The twenty-first century has relegated airplane flight—a once remarkable feat of human ingenuity—to the realm of the mundane. Mark Vanhoenacker, a 747 pilot who left academia and a career in the business world to pursue his childhood dream of flight, asks us to reimagine what we—both as pilots and as passengers—are actually doing when we enter the world between departure and discovery. In a

seamless fusion of history, politics, geography, meteorology, ecology, family, and physics, Vanhoenacker vaults across geographical and cultural boundaries; above mountains, oceans, and deserts; through snow, wind, and rain, renewing a simultaneously humbling and almost superhuman activity that affords us unparalleled perspectives on the planet we inhabit and the communities we form.

A reconnaissance pilot for France during World War II, Antoine de Saint-Exupery spent many dangerous days in the air above enemy occupied territory. "Wartime Writings" recounts some of his aviation exploits.

Describes growing up in an Africa that no longer exists, training and breeding race horses, flying mail to Sudan, and being the first woman to fly the Atlantic, east to west

In one volume, the screenplays to two contemporary classics, directed by Richard Linklater, and starring Ethan Hawke and Julie Delpy, about the immediate and life-altering attraction between two strangers. On a train from Budapest to Vienna, Jesse, a young American student, at the end of a romance and his European trip, meets Celine, a young French woman. They are immediately attracted. Despite knowing this may be the only time they will see each other, in the next few hours in the city of Vienna, they share everything and promise to meet again. Nearly a decade later, Jesse, now a novelist on a publicity tour, sees Celine in a bookstore in Paris. Again their time is short, and they spend it

reestablishing the connection they experienced on their first meeting. Romantic, poignant, understated, and often profound, these two screenplays are sure to become classics in their own right.

From "America's nerviest journalist" (Newsweek)--a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space.

"Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made *The Right Stuff* a classic.

Unlock the more straightforward side of *Night Flight* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *Night Flight* by Antoine de Saint-Exupéry, a captivating tale about the perils faced by pilots in the years when commercial aviation was just starting to emerge as a viable transportation option. Saint-Exupéry uses lyrical prose rich in imagery to capture both the wonder and the terror experienced by the individuals who risked their lives every time they took

to the sky, in a narrative that revolves around one man's decision to fly into the heart of a storm in the hopes of delivering his cargo on time. Saint-Exupéry's works have been translated into over 250 languages and continue to be well-loved decades after his death. He was also the recipient of notable awards such as the Grand Prix du roman de l'Académie française and the Prix Femina. Find out everything you need to know about Night Flight in a fraction of the time! This in-depth and informative reading guide brings you:

- A complete plot summary
- Character studies
- Key themes and symbols
- Questions for further reflection

The Aviator is the first story by writer Antonie de Saint-Exupéry. In 1926, Antoine de Sainte-Exupéry la publie dans la Navire d'argent, la revue don't Jean Prévost est secrétaire de rédaction.

The experiences and philosophy of a French airline pilot whose flying career began in 1926 and ended when his plane disappeared in 1944

A delightful collection of inspiring quotations from the

mind of Antoine de Saint- Exupéry, author of *The Little Prince*. “One sees clearly only with the heart. Anything essential is invisible to the eyes.” For more than sixty years, this insight from *The Little Prince* has been quoted in more than 130 languages by fans around the world. Now, for the first time, quotations from the collected works and letters of Antoine de Saint-Exupéry are presented in a charming gift edition. Six chapters—“Happiness,” “Friendship,” “Responsibility,” “Fortitude,” “Love,” and “What Is Essential”—offer inspirational and thought-provoking words about the subjects held most dear by the author. A perfect gift for graduates—or for anyone who wants gentle guidance.

Three award-winning works of adventure, survival, and the early days of aviation from the celebrated author of *The Little Prince*, collected in one volume. Ranging from the northern skies of France to the South American Andes, this volume includes two memoirs and a novel, each informed by the lauded pilot and poet’s experiences as a pioneering aviator during World War II. *Wind, Sand and Stars* Recounting his early days flying airmail routes across the African Sahara, Saint-Exupéry explores the spiritual, philosophical, and physical wonders of navigating the passes of the Pyrenees, the peaks of the Andes, and the wasteland of the Libyan desert. This memoir, a National Book Award winner that was voted a National Geographic Top Ten Adventure Book of All Time, is “a beautiful book, a brave book, and a book that should be read against the confusion of this world” (*The New York Times*). *Night Flight* Overseeing night-mail flights in Buenos Aires, Riviere is a believer in remaining faithful to the

mission and has trained his pilots to stave off the fear of death. But when he discovers that one of his planes is lost in a storm after flying out of Patagonia, both his authority and his beliefs will be challenged, in a novel that won France's Prix Femina Award and was made into a classic film. *Flight to Arras* Saint-Exupéry's memoir of a harrowing reconnaissance mission during the Battle of France in 1940—as one of only a handful of pilots who continued to fight in solidarity against the inevitable German invasion—was a recipient of the Grand Prix Littéraire de l'Aéro-Club de France. “Saint-Exupéry . . . blends adventure with reflection in a way few writers have.” —Richard Bach Translated by Lewis Galantière and Stuart Gilbert

From the National Book Award–winning author of *The Absolutely True Diary of a Part-Time Indian*, the tale of a troubled boy's trip through history. Half Native American and half Irish, fifteen-year-old “Zits” has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he's felt alienated from everyone, but, thanks to the alcoholic father whom he's never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, “he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes” (*The New*

York Times Book Review). Sherman Alexie's acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the New York Times–bestselling author of *The Lone Ranger and Tonto Fistfight in Heaven* and *The Absolutely True Diary of a Part-Time Indian* takes a bold new turn, combining magical realism with his singular humor and insight. This ebook features an illustrated biography of Sherman Alexie including rare photos from the author's personal collection.

'It was a dark night, with only occasional scattered lights glittering like stars on the plain' The aviator and author of *The Little Prince* describes vast, otherworldly landscapes, crash landings and magical encounters in his transcendent account of flying over the Sahara and the Andes. Ten new titles in the colourful, small-format, portable new Pocket Penguins series Peter Sís's remarkable biography *The Pilot and the Little Prince* celebrates the author of *The Little Prince*, one of the most beloved books in the world. Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented. Antoine dreamed of flying and grew up to be a pilot—and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections.

A sleek, stylish novel set in the sophisticated, dazzling New York of the 1940s, between the shock of Pearl Harbor and the first landing of American troops in Europe—a deft, romantic novel about a wartime triangle involving a twenty-

two-year-old fashion designer poised to launch her promising career . . . the acclaimed French expatriate writer/war pilot, Antoine de Saint-Exupéry, who's fled his Nazi-occupied country and come to Manhattan for a month, only to stay for two years . . . and his beautiful, estranged Salvadoran wife, the tempestuous, vain Consuelo, determined to win back her husband at all costs—and seductions. With Paris under occupation by Hitler's troops, New York's Mayor La Guardia has vowed to turn his city into the new fashion capital of the world. A handful of American designers are set to become the industry's first names, and Mignon Lachapelle is determined to be among them. Her ambition and ethics are clear and uncomplicated, until she falls for the celebrated and tormented adventurer Captain Antoine de Saint-Exupéry, who, six months after the surrender of France, has fled Europe's ashen skies after flying near-suicidal reconnaissance missions for the French Air Force. In New York, he writes a new book on the fall of France, *Flight to Arras* (it becomes a number-one best seller) and collects (a year later) his 1939 National Book Award for his *Wind, Sand and Stars*, a poetic account of his flying escapades over North Africa and South America (by the time of his arrival in New York, in early 1941, the book has sold 250,000 copies). To distract himself from his malaise about France and at being in exile, and at his publisher's offhand suggestion, he begins work on a children's story about a "petit bonhomme" in the Sahara Desert . . . Nothing about Mig's relationship with Saint-Ex is simple, not his turmoil and unhappiness about being in New York and grounded from wartime skies, nor Mig's tempestuous sexual encounter with Antoine and the blurring boundaries of their artistic pursuits, or Saint-Exupéry's wife who insidiously entangles Mig in her schemes to reclaim her husband. The greatest complication of Mig's bond with Saint-Exupéry comes in the form of a deceptively

simple manuscript: Antoine's work in progress about a little boy, a prince, who's fallen to earth on a journey across the planets . . . An irresistible novel that brings to life the complex, now almost mythic Saint-Exupéry and the glittering life of wartime New York. This ebook edition includes a Reading Group Guide.

'Page-turning and gritty' DAILY MAIL. It is 1943 and for agents of the Special Operations Executive, a mission to Nazi-occupied Paris is a death sentence. So why has unlikely spy Harry Mitchell volunteered to return to the city he fled two years ago? The French capital is at war with itself. Informers, gangsters, collaborators and Resistance factions are as ready to slit each other's throats as they are the Germans'. The occupiers are no better: the Gestapo and Abwehr – military intelligence – are locked in their own lethal battle for dominance. Mitchell knows the risks but he has a reason to put his life on the line: his family are still in Paris and have fallen into the hands of the Gestapo. With disaster afflicting his mission from the outset, it will take all his ingenuity to even get into the capital... unaware that every step he takes is a step closer to a trap well set and baited. 'Night Flight to Paris is everything a thriller should be: fast-paced with great characters, life or death jeopardy and nail-biting action. David Gilman delivers the goods once again. A terrific read!

MATTHEW HARFFY. 'Absolutely amazing. I'd never thought that another writer could rival Bernard Cornwell ... The level of suspense is ratcheted up to a truly brutal level' SHARON PENMAN. 'A gripping ride through a memorable period of history' WILBUR SMITH.

Ernest K. Gann's classic memoir is an up-close and thrilling account of the treacherous early days of commercial aviation. In his inimitable style, Gann brings you right into the cockpit, recounting both the triumphs and terrors of pilots who flew when flying was anything but routine.

The Description for this book, In the Storm of Roses: Selected Poems by Ingeborg Bachmann, will be forthcoming.

This classic, beloved tale is re-imagined as a beautiful, tabbed board book, with original illustrations and simple text.

Brothers Adam, Ethan, and Ryan, having decided to share one special woman as a wife and lover, find Holly lying in the snow just yards from their house and know she is the woman they have been looking for, but Holly is already running from a husband and it is going to take a lot of convincing for her to agree to their plans.

First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon.

The Sahara desert is the scenery of *Little Prince's* story. The narrator's plane has crashed there and he has scarcely some food and water to survive.

Trying to comprehend what caused the crash, the *Little Prince* appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the *Little Prince* informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled

by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.

From a master biographer, the life story of the daring French aviator who became one of the twentieth century's most beloved authors Antoine de Saint-Exupéry disappeared at age forty-four during a reconnaissance flight over southern France. At the time he was best known for a career of daring flights over the Sahara, the Pyrenees, and Patagonia and for his contributions to the science of aviation. But the solitary hours he spent above the earth in open cockpit airplanes gave birth to a more famous legacy, a series of enchanting, autobiographical novels and the classic story *The Little Prince*, still the most translated book in the French language. An impoverished aristocrat from one of France's oldest families, Saint-Exupéry moved at age twenty-seven

to the western Sahara Desert, to live alone in a plank shack and manage the way station for the Aéropostale, the French mail service. His careers as a novelist and an aviator were born here, and his life once he returned to Europe was defined--with brilliant and catastrophic results--by the sense of isolated fascination and curiosity he developed in the desert. In this definitive biography, Pulitzer Prize winner Stacy Schiff reveals an intrepid and unconventional life that rivals the best adventure stories.

Hello, I am the Little Prince. Bonjour, je suis le Petit Prince. Meet the Little Prince and read about his tiny planet - in both English and French! This classic, beloved tale is re-imagined as a beautiful, padded board book, with original illustrations and a playful, sweet design.

Letter to a Hostage is a book by the author Antoine de Saint-Exupéry. Saint-Exupéry initially wrote this piece as a preface for his best friend, Léon Werth's novel: Trente-trois jours (Thirty Three Days). Werth had been forced to take refuge in the Jura region of France during the autumn of 1940 because of his Jewish origins. His book, however, could not be published, and so the author significantly revised his preface, removing any direct references to his friend and making him anonymous within the text and a symbol for France as the hostage of the occupying forces. This version was published independently in

June 1943. The work is comprised of six short chapters which reflect upon recent aspects of the author's life (travelling to Portugal, impressions of the Sahara, living in the USA...), and combines references to his friendship with Werth and to his love for his country.

"In 'Peer Gynt' Henrik Ibsen wrote 'To live is to war with trolls in the vaults of heart and soul. To write is to sit in judgement of oneself.' I have found that, in order for life to have any meaning, both sides of that prescription must be thoroughly fulfilled. This book is the result of my own battle with the trolls, and the years of careful self-analysis which came after. My fight took place in the antiseptic halls and silage-scented barn of a South Carolina orphanage. Clarity came much later, once that story was focused through the crystal lens of form.

Another great writer, Margaret Atwood, said that in order to become a writer a child must be given 'solitude and books'. Loneliness, isolation, and imaginative food are required for the creation of an inner world that is strong enough to draw from. In many ways, this collection is the record of the space where mine grew." Bethany W.

Pope

An aviator whose plane is forced down in the Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life.

Fasten your seatbelt to experience the spectacle and solitude of flying high in the Andes in this novel from the author of The Little Prince. No writer has equaled Saint-

Exupéry in describing the perilous and poetic experience of flying, in submission to what he calls “those damn elemental divinities—night, day, mountain, sea and storm.” In this gripping, beautifully written novel inspired by his experience as a pilot in South America, he tells of the brave men who pilot night mail planes from Patagonia, Chile, and Paraguay to Argentina in the early days of commercial aviation. They are impelled to perform their routine acts of heroism by a steely chief named Rivière, whose extraordinary character is revealed through the dramatic events of a single night. Preface by André Gide. Translated by Stuart Gilbert.

“The book stands out by reason of the quality of its style, the beauty of the passages in which flight is described better than it ever has been before, but more especially because of the emotions of the men of heroic mold.”—André Maurois, Saturday Review

A group of pilots must conquer the savage Andean weather as well as the mechanical shortcomings of early aircraft to establish an air-mail service to South America
