New York Times bestselling author Karen Hawkins entrances with the story of a proud Highlander and the impulsive English minx who resolves that, one way or another, he will be...The Laired Who Loved Me. Handsome Alexander MacLean enjoyed his intoxicating flirtation with lovely Caitlyn Hurst...until she embarrassed him in front of the entire town. Orchestrating Caitlyn's attendance at a fashionable house party, Alexander plots her downfall. But to his fury, her charm and wit thwart his plan to ruin her. Her disastrous London season left Caitlyn filled with regret and determined to make things right with Alexander. She's delighted to find him at the house party to which she's unexpectedly invited—but it's clear that the sexy, arrogant Highlander hasn't forgiven her. So, Caitlyn comes up with a bold scheme, proposing an unusual contest drawn from legend: each must complete a set of mythic tasks. If Caitlyn succeeds, Alexander promises to relent and forgive her previous rash behavior; if he succeeds, she will join him in his bed! But can Caitlyn force Alexander to give up his quest for vengeance without giving up her heart in return?

'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Hailed by critics and readers alike, Jessica Stern's riveting memoir examines the horrors of trauma and denial as she investigates her own unsolved adolescent sexual assault at the hands of a serial rapist. Alone in an unlocked house, in a safe suburban Massachusetts town, two good, obedient girls, Jessica Stern, fifteen, and her sister, fourteen, were raped on the night of October 1, 1973. The rapist was never caught. For over thirty years, Stern denied the pain and the trauma of the assault. Following the example of her family, Stern—who lost her mother at the age of three, and whose father was a Holocaust survivor—focused on her work instead of her terror. She became a world-class expert on terrorism and post-traumatic stress disorder who interviewed extremists around the globe. But while her career took off, her success hinged on her symptoms. After her ordeal, she no longer felt fear in normally frightening situations. Stern believed she'd disassociated from the trauma altogether, until a dedicated police lieutenant reopened the case. With the help of the lieutenant, Stern began her own investigation to uncover the truth about the town of Concord, her own family, and her own mind. The result is Denial, a candid, courageous, and ultimately hopeful look at a trauma and its aftermath.

Being peculiar is not about horns, begins bestselling author Mary Ellen Edmunds. In this humorous but thought-provoking book, she explores what really makes a peculiar people and what sets us apart as distinct and different from the rest of the world. Others surely do notice things about us, she states, so what would it be like if we could be depended upon to live what we believe every inch and minute of our lives? Using the scriptures and personal experiences to help explain our uniqueness, Mary Ellen presents a positive and upbeat approach to making little changes that will help us strive to become better when were already pretty good.

Daily inspiration from American philosopher and transcendentalist Ralph Waldo Emerson Featuring excerpts from Ralph Waldo Emerson's essays, poems, and lectures, Everyday Emerson offers 365 snippets of wisdom and insight from one of America's greatest writers and philosophers. An astute observer of both nature and society, Emerson's writing touches on themes of individuality, freedom, and human potential, all of it shot through with a profound love and awe of the natural world. The excerpts in Everyday Emerson are inspiring and thought provoking—a daily invitation to engage the world with imagination and intention. In addition to daily quotes, the end of the book also includes selections from Emerson's beloved essay "Self-Reliance." Both longtime appreciators of Emerson's work and readers who would be intimidated by a complete book of essays will find something delightful in its pages.

The right-brain way to conquering clutter, mastering time, and reaching one's goals: the first book to show creative people how to arrange their desks, their time, and their lives in a style consistent with their unique way of perceiving the world. Suggests a host of practical solutions, all in harmony with the way creative people think and act. 20 line drawings.

'Peru' is an on-the-spot companion guide to this country. From the Amazon rainforest to the streets of Lima, from majestic Machu Picchu to the mystery of the Nazca lines, it's all here

This Second Edition gives the reader easy access to the history and contemporary situation of one of the world's ancient civilizations. The heart of the work is more than 350 entries on the most influential political figures and events, religious groups and movements, economic sectors, social institutions, and cultural facets. The second edition includes nearly 100 entirely new entries and updates on 43 entries from the first edition. An important difference between the two editions is the inclusion of many more entries on social institutions, such as the family and coffeehouses, cultural aspects, such as art, architecture, cinema, literature, music, and theater, and economic facets, such as inflation, corruption, the public sector, and efforts at reform. There is also expanded coverage on Syria's political dynamics, with entries on human rights, civil society, and security forces. The only specific reference work in English, this new

edition addresses profound changes in Syria's domestic and regional circumstances. The domestic political scene witnessed a major transition with the passing of Syria's ruler for 30 years, Hafiz al-Asad, and the unexpectedly smooth succession of his son Bashar as new president in 2000. The regional situation has changed even more since the first edition came out in 1996. Peace talks with Israel collapsed in 2000 and three years later the United States invaded Iraq, beginning an occupation of Syria's neighbor for an indeterminate period, with incalculable consequences. In addition to the A to Z dictionary, the second edition contains a chronology that presents fairly general information on early centuries and becomes quite detailed for the most recent years. The bibliography also reflects significant changes in research on Syria. Not only does the bibliographical essay highlight important new monographs, it introduces the reader to credible Internet resources for guides to travel and popular culture as well as news and statistical data at major international organizations'

A remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye Writers of America Prize for Best First Private Eye Novel. Michael Koryta's *Tonight I Said Goodbye* marks the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, *Tonight I Said Goodbye* would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb, and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated--a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers.

Tonight I Said Goodbye is a 2005 Edgar Award Nominee for Best First Novel.

Bento includes over 70 quick, easy, and delicious box lunch ideas for your family.

The Most Comprehensive, Multimedia Pharmacy Review Guide Structured to Parallel NAPLEX Content Capstone Pharmacy Review enables pharmacy students to thoroughly prepare for the North American Pharmacist Licensure Examination (NAPLEX). The comprehensive Capstone Pharmacy Review is designed to match the NAPLEX blueprint and focuses on the exam's three core competency areas, providing a unique and complete review for key exam content. It addresses key competencies such as preparation and dispensing of medications, pharmacotherapy considerations, and drug information, with review material correlating to the topic's importance in the

exam. Each new copy of Capstone Pharmacy Review includes an online access code for the interactive web-based program Navigate TestPrep: Capstone Pharmacy Review. Repeatable and customizable to the student's needs, the online Navigate TestPrep program offers case-based questions for exam practice, valuable rationales with remediation to the text and competencies, detailed reporting, and a timed exam to simulate the real-world testing environment. *Electronic formats and eBooks do not include access to Navigate TestPrep. Access may be purchased separately. Features • The most comprehensive and expansive selection of pharmacy calculations for review and study • A review of the top 200 drugs therapeutic class, mechanism of action, patient counseling, side effects, dose, drug interactions and contraindications • A comprehensive Federal Law Review • Coverage of Pharmacology preceding a review of Therapeutics • Helpful illustrations, tables, and appendices • Access to both text and Navigate TestPrep review material including an online practice exam* • Case-based and non-based questions which address each of the three NAPLEX competencies. • Plans for individual and group study Please note: Shelley H. Otsuka should be listed as a contributor to Chapter 29, Topic: Immunizations.

This exploration of the texture of contemporary Polish-Jewish relations has its origins in the author's haunting experience of growing up Polish and Jewish in Warsaw in the 1960s. It began with questions about silence: the silence of Jewish parents and the silence of once-Jewish towns, the silence in Auschwitz and the silence about anti-Semitism. But when the author went to Europe in 1983 to work on the project that resulted in this book, Poland was in the midst of preparation for a grand commemoration of the Warsaw Ghetto uprising. From all parts of the political spectrum came calls to remember and to honor Polish Jews, to reexamine and to reassess the past. In effect, Poland was inviting the Jew into its household of memories. What did such an invitation mean? And what accounted for the timing? This vividly written account of the people, the politics, the goals, and the obstacles behind words of remembrance in Poland is an example of cultural sociology at its best. The author draws on a combination of textual readings, interviews, and historical analyses. The book's main strength, is its continuous dialogue between analyst and insider, between knowledge and experience. Into a field where cognitive and emotional imprints make all the difference, the author brings unique appreciation of the power they hold; she has shared them. Into a field where partisanship -so often passes for objectivity, she brings openly stated commitment. And into a field where particularism of concerns so often deadlocks understanding, she brings much-needed broadening of vision. Students of modern Jewish history will find this volume an informative analysis of the past and present roles assigned to the Jew in Poland. Students of contemporary Poland will find new perspectives on its struggles for a democratic society. And for those concerned with how one reconciles one's self and one's history, Neutralizing Memory offers an empirically based reflection on the construction and deconstruction of remembrance. For the Vampire community, the Solstice Choosing has been the holiest night of the year - for a hundred thousand years. But this year, something new is about to happen. The oldest prophecies are about to be fulfilled - and the Festival of Blessings is finally upon us.

This tactical recruiting guide for the hiring manager lays out five critical steps necessary to consistently build the pipeline of talent, to raise the standards of the hiring process,

and to avoid desperation hires.

----- A lost starship... A dire warning from futures past...
A desperate search for salvation... ----- Captain Mitchell
"Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot
Heard 'Round the Universe saved the planet from a nearly unstoppable war machine.
He's handsome, charismatic, and the perfect poster boy to help the military drive
enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at
charming the media and bedding beautiful celebrities as he was at shooting down
enemy starfighters. After an assassination attempt leaves Mitchell critically wounded,
he begins to suffer from strange hallucinations that carry a chilling and oddly familiar
warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced
that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that
he may not be as crazy as he thinks. The enemy is real and closer than he imagined,
and they'll do whatever it takes to prevent him from rediscovering the centuries lost
starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the
mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless
outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded
murder, they're dangerous, immoral, and possibly insane. They may also be humanity's
last hope for survival in a war that has raged beyond eternity.

Never buy a boring Journal/Notebook/Composition Book ever again! Discover our
Unique and Stylish Journals, Notebooks, Diaries, Composition Books This piece comes
in 6x9 inches and 150 pages, wide ruled line paper, so that you have enough space to
write your thoughts and ideas down. You can also use this journal as a nice present or
gift for your kids, friends or loved ones. They will love it. Our notebooks are also always
a good gift idea for Christmas. Check out our other designs (Asek Designs) we have to
offer here on Amazon. Always fair prices and beautiful motives, designed by real artists,
so you never have to buy another boring notebook or journal ever again.

In this lively introduction, J. Nelson Kraybill shows how the book of Revelation was
understood by its original readers and what it means for Christians today. Kraybill
places Revelation in its first-century context, opening a window into the political,
economic, and social realities of the early church. His fresh interpretation highlights
Revelation's liturgical structure and directs readers' attentions to twenty-first-century
issues of empire, worship, and allegiance, showing how John's apocalypse is relevant
to the spiritual life of believers today. The book includes maps, timelines, photos, a
glossary, discussion questions, and stories of modern Christians who live out John's
vision of a New Jerusalem.

What's the first rule when staying at your best friend's house for the week? Don't
fall for her older brother. I never paid much attention to my best friend's older
brother until he refused to kiss me. After that humiliating day, I promised myself
that Liam Turner would regret ever making me feel less than worthy. But then I
got stuck spending the week at his house. So to make the best of the situation, I
made plans to find my next summer boyfriend and flaunt it in Liam's
face. Revenge was working great until Liam made a U-turn and targeted his
charm and hotness on me. A practice date? Sure. I'd show him what he'd been
missing. Falling for the enemy was not on the agenda. Read all the books in this

Once a derogatory label derived from the Hawaiian word for half, Hapa is now being embraced as a term of pride by many people of Asian or Pacific Rim mixed-race heritage. Award-winning film producer and artist Kip Fulbeck has created a forum in word and image for Hapas to answer the question they're nearly always asked: "What are you?" Fulbeck's frank, head-on portraits are paired with the sitters' own statements of identity. A work of intimacy, beauty, and powerful self-expression, *Part Asian, 100% Hapa* is the book Fulbeck says he wishes he had growing up. An introduction to the rest of the world and an affirmation for Hapas themselves who now number in the millions—it offers a new perspective on a rapidly growing population.

Hone your fly-casting skills in just a few hours! The better you can cast, the more you'll enjoy fly-fishing. With good casting technique you can place the fly where you want it, effortlessly and with precision and grace, even when wind or obstructions conspire against you. In *Master the Cast*, George V. Roberts Jr., a lifelong fly-fisher and sought-after instructor, walks you through a course that breaks the complicated mechanics into a few simple components. Then, with the help of hundreds of photos and illustrations, he shows you how to master these in seven concise lessons, including: The Roll Cast, which builds your rod-arm mechanics (how the hand, wrist, forearm, and upper arm function to make the rod work) The Pick-Up-and-Lay-Down Cast, which forms the foundation of all straight-line casting False Casting, which allows you to keep the fly airborne for several strokes before delivering it plus Shooting Line, Casting in All Planes, Drift

and Follow-Through, Off-Vertical Casting, and an advanced lesson on Hauling Master the Cast is an indispensable resource for all fly-fishers, beginner to advanced, that will have you casting flies with confidence, precision, and consistency after only a few hours' practice. "Most fly-fishers cast mechanically without understanding the mechanics of the cast. But understanding precisely what is going on and why is what makes a good caster into an excellent one. George Roberts understands casting mechanics inside and out, and his Master the Cast will help you do just that."—James R. Babb, editor, *Gray's Sporting Journal* Praise for George Roberts' *A Fly-Fisher's Guide to Saltwater Naturals and Their Imitation*: "A book in a class by itself."—*Fly Fishing Saltwater* "It is difficult to overestimate the importance of this book."—*The Fly-Tyer's Catalog*

From the beginning of the American Occupation in 1945 to the post-bubble period of the early 1990s, popular music provided Japanese listeners with a much-needed release, channeling their desires, fears, and frustrations into a pleasurable and fluid art. Pop music allowed Japanese artists and audiences to assume various identities, reflecting the country's uncomfortable position under American hegemony and its uncertainty within ever-shifting geopolitical realities. In the first English-language study of this phenomenon, Michael K. Bourdaghs considers genres as diverse as boogie-woogie, rockabilly, enka, 1960s rock and roll, 1970s new music, folk, and techno-pop. Reading these forms and their cultural import through music, literary, and cultural theory, he introduces readers to the sensual moods and meanings of modern Japan. As he unpacks the complexities of popular music production and consumption, Bourdaghs interprets Japan as it worked through (or tried to forget) its imperial past. These efforts grew even murkier as Japanese pop migrated to the nation's former colonies. In postwar Japan, pop music both accelerated and protested the commodification of everyday life, challenged and reproduced gender hierarchies, and insisted on the uniqueness of a national culture, even as it participated in an increasingly integrated global marketplace. Each chapter in *Sayonara Amerika, Sayonara Nippon* examines a single genre through a particular theoretical lens: the relation of music to liberation; the influence of cultural mapping on musical appreciation; the role of translation in transmitting musical genres around the globe; the place of noise in music and its relation to historical change; the tenuous connection between ideologies of authenticity and imitation; the link between commercial success and artistic integrity; and the function of melodrama. Bourdaghs concludes with a look at recent Japanese pop music culture.

The first book to cover one of the hottest subjects in wireless communications today, *Mobile WiMAX* Summarises the fundamental theory and practice of Mobile WiMAX Presents topics at introductory level for readers interested in understanding communication and networking knowledge for Mobile WiMAX, whilst addressing advanced / specialised subjects related to Mobile WiMAX Contains the latest advances and research from the field and shares knowledge from the key players working in this area Chapter 1 updates Mobile WiMAX status and standards; Chapters 2-6 are related to physical layer transmission; Chapters 7-12 deal with MAC and networking issues; Chapters 13-14 discuss relay networks for mobile WiMAX;

and Chapters 15-19 present multimedia networking for mobile WiMAX and application scenarios. Ideal for Mobile WiMAX R&D/practicing engineers (systems, applications and services, field, terminal, IC design, integration), business development professionals, academic researchers. Graduate students conducting research and graduate students studying in mobile WiMAX and next generation wireless communications. Undergraduate students studying mobile WiMAX related subjects

Christopher de Bellaigue, a former contributor to *The Economist*, brings to light the fascinating story of one of the great anti-colonial heroes of the twentieth century: Muhammad Mossadegh, the great Iranian leader whose untimely demise resulted in the Islamic Revolution of 1979, and a man who has been demonized, ridiculed, and misunderstood in the West while remaining an icon and an inspiration across the Middle East. *Patriot of Persia*, a new biography exploring his life and impact, opens a crucial new window into Mossadegh—whose role in the evolution of Iran's political climate cannot be overemphasized—providing a resource that will prove equally invaluable to academics, newshounds, and activists as they struggle to understand Mideast politics, Iran, Ahmadinejad, and the future of the region—and the world.

Indian context.

The book is designed to interest students in manufacturing in a logical manner. *The basic machine tool operations are covered (same as the machine tool courses presently taught in schools). *A complete section on CNC programming and operation for teaching-size and standard machines presented in easy-to-understand language. *Twelve new manufacturing technologies, directly related to the machine trade are covered in a brief overview of each, designed to show students the many exciting career opportunities available in manufacturing. ALSO AVAILABLE Workbook, ISBN: 0-8273-7587-5 INSTRUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDER Instructor's Manual, ISBN: 0-8273-7863-7

The essential features of quantum physics, largely debated since its discovery, are presented in this book, through the description (without mathematics) of recent experiments. Putting the accent on physical phenomena, this book clarifies the historical issues (delocalisation, interferences) and reaches out to modern topics (quantum cryptography, non-locality and teleportation); the debate on interpretations is serenely reviewed.

The guides that show you what the others only tell you. DK's Eyewitness Travel Guides have increasingly become the most sought after guides by seasoned and novice travelers alike. Featuring up-to-date information and spectacular 3-D aerial views -- all photographed in full-color -- each location is shown at its best. Recognized as the most unique and comprehensive travel guides on the market, Eyewitness Travel Guides create the new standard for travels. Every guide in the series is updated annually. 3-D aerial maps help you make the quickest journey from one place to the next. Red star sights help you get the most out of the shortest visit. Full-color photographs are taken specifically for each travel guide, and cut-away & floor plans present unique drawings of historic buildings and museums to show exactly where you are and what you see. All the sights in each area are described in depth with special keyed icons, and there's no need to buy an A-Z guide with our fully indexed street maps. Eat and shop with confidence with our reliable listings of hotels, restaurants, bars, and shops in all areas and at all prices. When it comes to entertainment, Eyewitness Travel Guides contains complete listings of theaters, music venues, cinemas, clubs, sports facilities, and activities for children. A special survival guide shows you how to use local currency, public transportation and telephones through pictures. Before your next trip, pick up one of our best-selling Eyewitness Travel Guides today
