In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the electric chair of Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute—men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital

punishment. Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, *Dead Man Walking* emerged as an unprecedented look at the human consequences of the death penalty. Now, some two decades later, this story—which has inspired a film, a stage play, an opera and a musical album—is more gut-wrenching than ever, stirring deep and life-changing reflection in all who encounter it.

Autumn, 1975: The Rolling Thunder Revue - a rag-tag variety show, a travelling gypsy circus - swept across the Northeast US. Bob Dylan helmed the chaotic caravan, gathering a host of stars in his wake: Joan Baez, Roger McGuinn, Ramblin' Jack Elliott, T-Bone Burnett, Joni Mitchell and others. The Pulitzer-Prize winning playwright Sam Shepard was invited to write a Fellini-esque film out of the chaos. Throughout the many moods and moments of his travels he kept an impressionistic logbook of life on the road, replete with poetry, sketches and intimate accounts: This is that logbook. Updated with a myriad of candid photographs - many never before published - a foreword by T-Bone Burnett and a poetical preface from Sam Shepard, *The Rolling Thunder Logbook* perfectly captures the camaraderie, isolation, head games and pill-popping mayhem of the tour, providing a window into Dylan's

singular talent, enigmatic charisma, and vision of America. "The Rolling Thunder Revue was more fun than the law allows. By a long shot. It was a bus full of musicians and singers and painters hurtling through the dead of night, making a movie, writing songs, and playing some of the most incendiary, intense, and inspired rock 'n' roll, before or since."

T-Bone Burnett

Filled with wry, dark humor, and exquisitely crafted storytelling, Shepard's plays have earned him enormous acclaim. In these 15 one-acts, he displays his trademark ability to portray human relationships, love, and lust with rare authenticity.

"Exploring the theatre from the 1960s to the present, Robert J. Andreach shows the various ways in which the contemporary American theatre creates a personal, theatrical, and national self." "Andreach argues that the contemporary American theatre creates multiple selves that reflect and give voice to the many communities within our multicultural society. These selves are fragmented and enclaved, however, which makes necessary a counter movement that seeks, through interaction among the various parts, to heal the divisions within, between, and among them." --Book Jacket.

"There's something about Emma's co-star on her new TV show Coyote Hills that is irresistible. But she's sworn off on-set relationships. They always end badly--don't they?"--

Growing out of a series of articles written over a 15 year period, and illustrated with over 100 photos, this volume offers a narrowed focus examination of various performing traditions that rely on the expressive power and imagination of masks. It explores the redefinition of self into "other," when the mask is worn, and examines actors and their performances in Papua New Guinea, Orissa, India, and Bali. Playwrights in Rehearsal is an inside look at the writer's role in the creative process of bringing his or her words to life on stage. Susan Letzler Cole, granted rare access to some of the major playwrights of our time, recounts her participation in rehearsal with Arthur Miller, Sam Shepard, Tony Kushner and Suzan-Lori Parks, and others.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.

With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

One of the plays that first announced Sam Shepard as an original voice in American theater, Tooth of Crime is his thrillingly innovative rock drama, published here in a revised edition that is as fresh and provocative as the original was more than thirty years ago. An aging rock star in a world in which entertainment and street warfare go hand in hand,

Hoss must defend himself against Crow, a newcomer who battles him for fame. Combining musical styles and intense dialogue in an unconventional musical-fantasy, *Tooth of Crime* riffs brilliantly on rising stars and fading legends, and rock lived and died for.

The setting is a farmhouse in the American West, inhabited by a family who has enough to eat but not enough to satisfy the other hungers that bedevil them. The father is a drunk; the mother a frowzy slattern; the daughter precocious beyond her years; and the son a deranged idealist. As the family decides to sell the house to raise money, the mother talks of running off to Europe or Mexico; the father sobers up and tries to take control; the daughter is blown up in the family car; and the son is left brutalized and bloodied. In the end the characters become a metaphor for the underside of American life—benighted innocents pursuing a dream that remains beyond their reach.

The theatre of Richard Maxwell and the New York City Players has received significant international recognition over the past ten years. The company has received three OBIEs, for *House* (1999), *Drummer Wanted* (2002) and *Good Samaritans* (2005). Maxwell received a Guggenheim Fellowship in 2010 and has been commissioned by venues in the United States, the United Kingdom, Germany, Austria, the Netherlands, France, Belgium and Ireland. Although his productions generate a plethora of reviews, there is a deficit of material providing a critical and sustained engagement with his work. The aim of this book is to provide a critical survey of Maxwell's work since 1992, including his early participation in Cook County Theater Department. Touching upon the acting, production and rehearsal processes of NYC Player's work, and Maxwell's representations of space, community, race, and gender, this volume provides scholars with an important overview of a key figure in contemporary drama.

These three plays by Pulitzer Prize winner Sam Shepard are bold, explosive, and ultimately redemptive dramas propelled by family secrets and illuminated by a searching intelligence. In *The Late Henry Moss*—which premiered in San Francisco, starring Sean Penn and Nick Nolte—two estranged brothers confront the past as they piece together the drunken fishing expedition that preceded their father’s death. In *Eyes for Consuela*, based on Octavio Paz’s classic story “The Blue Bouquet,” a vacationing American encounters a knife-toting Mexican bandit on a gruesome quest. And in *When the World Was Green*, cowritten with Joseph Chaikin, a journalist in search of her father interviews an old man who resolved a generations-old vendetta by murdering the wrong man. Together, these plays form a powerful trio from an enduring force in American theater.

“John Winters offers a master class in literary sleuthing, untangling the many lives and unearthing the origin story of America’s foremost Renaissance man of letters.” —Kelly Horan, coauthor of *Devotion and Defiance* With more than fifty-five plays to his credit—including the 1979 Pulitzer Prize-winning *Buried Child*, an Oscar nod for his portrayal of Chuck Yeager in *The Right Stuff*, and an onscreen persona that’s been aptly summed up as “Gary Cooper in denim”—Sam Shepard’s impact on American theater and film ranks with the greatest playwrights and actors of the past half-century. *Sam Shepard: A Life* gets to the heart of Sam Shepard, presenting a compelling and comprehensive account of his life and work. In a new epilogue, added by the author after Shepard’s untimely death in July of 2017, John J. Winters offers a glimpse into the enigmatic author’s last days, when very few knew he was suffering from ALS. “An excellent biography . . . tell, and he recounts it ably, bringing us close to a figure who, he admits, avoids intimacy.” —The Wall Street Journal “A new, thoroughly researched biography . . . Winters does indeed capture a personality more anxious and self-doubting than previous biographers have grasped.” —The Washington Post “Meticulously presents the facts of Shepard’s complex life along with incisive descriptions and analyses of diverse productions of Shepard’s demanding and innovative plays . . . Winters portrays Shepard as a magnetic, enigmatic, and multitalented artist drawing on a deep well of loneliness and self-questioning, keen attunement to the zeitgeist, and penetrating insight into human nature.” —Booklist (starred review)

Understanding Sam Shepard investigates the notoriously complex and confusing dramatic world of Sam Shepard, one of America’s most prolific, thoughtful, and challenging contemporary playwrights. During his nearly fifty-year career as a writer, actor, director, and producer, Shepard has consistently focused his work on the ever-changing American cultural landscape. James A. Crank’s comprehensive study of Shepard offers scholars and students of the dramatist a means of understanding Shepard’s frequent experimentation with language, setting, characters, and theme. Beginning with a brief biography of Shepard, Crank shows how experiences in Shepard’s life eventually resonate in his work by exploring the major themes, unique style, and history of Shepard’s productions. Focusing first on Shepard’s early plays, which showcase highly experimental, frenetic explorations of fractured worlds, Crank discusses how the techniques from these works evolve and translate into the major works in his “family trilogy”: *Curse of the Starving Class*, the Pulitzer Prize-winning *Buried Child*, and *True West*. Shepard often uses elements from his past—his relationship with his father, his struggle for control within the

family, and the breakdown of the suburban American dream—as major starting points in his plays. Shepard is a recipient of a Pulitzer Prize for Drama, eleven Obie Awards, and a Chicago Tribune Literary Prize for Lifetime Achievement. Augmented with an extensive bibliography, *Understanding Sam Shepard* is an ideal point of entrance into complex and compelling dramas of this acclaimed playwright. Presents seven dark works by American playwright Sam Shepard, which span 1968-1981 and deal with such themes as family disturbances and the loss of American myths.

The screenplays of award-winning playwright John Patrick Shanley have earned him a reputation as a gifted writer with a great range and imagination. His movies *Moonstruck*, *Five Corners*, and *Joe Versus the Volcano* have starred such Hollywood luminaries as Cher—who took home an Oscar for her performance in *Moonstruck*--Nicolas Cage, Jodie Foster, John Turturro, Meg Ryan, and Tom Hanks. This collection showcases Shanley's talent for creating dialogue that is true to his characters and his ability to tell their stories in eccentric and intensely humorous situations.

First Published in 1996. Part of a series of 'Studies in Modern Drama', Volume 7 This volume *Studies in Modern Drama* collects essays on contemporary theatre which reveal the changing face of the world, as well as challenges to the

boundaries of traditional stage production. Authors examine familiar texts in new settings, discovering what editor Judy Lee Oliva calls “the effect of cultural- specific gestures, stances and the nuance of words,” so that audiences and critics are forced to recognize stereotypes and re-evaluate older critical methods. Topics range from directing gay and working-class theatre in Scotland to producing American and British drama in Holland, Belgium, and Poland. New voices in the theatre are heard, and old ones are put to new tests. What remains is the power of performance to inspire emotional and intellectual response. Writers, directors, costume designers, producers, and critics provide an uncommon range of perspectives to the changing roles of theatre in an increasingly global community.

Pulitzer Prize winner Sam Shepard's latest play is an uproarious, brilliantly provocative farce that brings the gifts of a quintessentially American playwright to bear on the current American dilemma. Frank and Emma are a quiet, respectable couple who raise cows on their Wisconsin farm. Soon after they agree to put up Frank's old friend Haynes, who is on the lam from a secret government project involving plutonium, they're visited by Welch, an unctuous government bureaucrat from hell. His aggressive patriotism puts Frank, Emma, and Haynes on the defensive, transforming a heartland American household into a scene of torture and promoting a radioactive brand of conformity with a dangerously long half life.

In this book Arnold Berleant develops a bold alternative to the eighteenth-century aesthetic of disinterestedness. Centering on the notion of participatory engagement in the appreciation of art, he explores its appearance in art and in aesthetic perception, especially during the past century. Aesthetic engagement becomes a key, both on historical and theoretical grounds, to making intelligible our experiences with both contemporary and classical arts. In place of the traditional aesthetic that enjoins the appreciator to adopt a contemplative attitude, distancing the art object in order to ensure its removal from practical uses, *Art and Engagement* examines the ways in which

art entices us into intimate participation in its workings. Beginning with the historical and theoretical underpinnings of the idea of engagement, Berleant focuses on how engagement works as a force in different arts. Successive chapters pursue its influence in landscape painting, architecture and environmental design, literature, music, dance, and film. *Art and Engagement* argues forcefully for the originality and power of aesthetic perception. Demolishing the conceptual barriers erected by the Western world's limiting tradition, the book discloses the condition of engagement that has always been present when our aesthetic encounters have been most effective and suggests a new direction for aesthetic inquiry.

A newly revised edition of an American classic, Sam Shepard's Pulitzer Prize—winning *Buried Child* is as fierce and unforgettable as it was when it was first produced in 1978. A scene of madness greets Vince and his girlfriend as they arrive at the squalid farmhouse of Vince's hard-drinking grandparents, who seem to have no idea who he is. Nor does his father, Tilden, a hulking former All-American footballer, or his uncle, who has lost one of his legs to a chain saw. Only the memory of an unwanted child, buried in an undisclosed location, can

hope to deliver this family from its sin.

This illustrated volume covers the career of Sam Shepard, the provocative American playwright, scriptwriter, actor, and director, through an introductory survey followed by in-depth analyses of representative selections from the one-acts (*Action*, *States of Shock*), experimental collaborations with Joseph Chaikin (*Savage/Love*), and by now classic family plays (*Buried Child*, *A Lie of the Mind*). It ranges from Shepard's unpublished adaptation of Marlowe's *Doctor Faustus* through the textual variants and political context of *Operation Sidewinder* to Robert Altman's movie version of *Fool for Love*, besides offering brief comparisons with fellow dramatists (Albee and Beckett) and visual artists (Edward Weston, Marsden Hartley). Several performance analyses supplement the textual criticism and provide a sample of European directorial approaches. Together, these takes offer a composite picture of an artist whose output over the past forty years has turned him into a figurehead of twentieth century drama, studied and produced all over the world with a keen eye for his idiosyncratic and critical view of what it means to be American.

Set within the netherworld of thoroughbred racing, this hair-raisingly funny new play by the Pulitzer Prize-winning author of *True West* explores the classical themes of memory, loyalty, and restitution. *Simpatico* launches readers into regions where high society meets the low life, and where, as one of the main characters observes, "someone is cutting someone else's throat." **THE STORY:** Involves two desperate families connected
