The "Gothic" style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar, often strikingly original approach to the horror genre. These films portrayed Gothic staples in a stylish and idiosyncratic way, and took a daring approach to the supernatural and to eroticism, with the presence of menacing yet seductive female witches, vampires and ghosts. Thanks to such filmmakers as Mario Bava (Black

book was written by Carlo Lorenzini alias Carlo Collodi. It was published for the first time in 1883 with the title "The adventures of Pinocchio: The Story of a Puppet". Since then, many versions have been proposed, especially cinematographic ones, which have modified and softened both the character and the plot. In the original story the world in which Pinocchio lives is merciless and cruel, populated by thieves, murderers and cheaters who will do anything to try to kill or rob. As he grows and matures, Pinocchio must not only learn to defend himself from danger, but also from bullying classmates and from the deception of kind and flattering men. He also learns not to place too much trust in judges, police and doctors. This may seem excessive to us today, but warning children about the injustices and cruelty of the real world was a feature of children's literature of the 1800s. However, the use of irony and the imaginary characters (puppets, animals, fairies) go a long way towards mitigating the dramatic reality described in the story. The original book uses 19th-century Italian and is strongly influenced by terms and idioms typical of the Tuscan language. In this edition, the language has been simplified and updated, to adapt it to intermediate level students of Italian.

and movement, between the need to belong and the refusal to form lasting ties. A Most Anticipated Novel of 2021 from • BuzzFeed • O, The Oprah Magazine • TIME • Vulture • Vogue • LitHub • Harper's Bazaar Exuberance and dread, attachment and estrangement: in this novel, Jhumpa Lahiri stretches her themes to the limit. In the arc of one year, an unnamed narrator in an unnamed city, in the middle of her life's journey, realizes that she's lost her way. The city she calls home acts as a companion and interlocutor: traversing the streets around her house, and in parks, piazzas, museums, stores, and coffee bars, she feels less alone. We follow her to the pool she frequents, and to the train station that leads to her mother, who is mired in her own solitude after her husband's untimely death. Among those who appear on this woman's path are colleagues with whom she feels ill at ease, casual acquaintances, and "him," a shadow who both consoles and unsettles her. Until one day at the sea, both overwhelmed and replenished by the sun's vital heat, her perspective will abruptly change. This is the first novel Lahiri has written in Italian and translated into English. The reader will find the qualities that make Lahiri's work so beloved: deep intelligence and feeling, richly textured physical and emotional landscapes, and a poetics of dislocation. But *Whereabouts*, brimming with the impulse to cross barriers, also signals a bold shift of style and sensibility. By grafting herself onto a new literary language, Lahiri has pushed herself to a new level of artistic achievement.

A stunning collection of short stories originally commissioned by The New York Times Magazine as the COVID-19 pandemic swept the world, from twenty-nine authors including Margaret Atwood, Tommy Orange, Edwidge Danticat, this year's National Book Award winner Charles Yu, and more. When reality is surreal, only fiction can make sense of it. In 1353, Giovanni Boccaccio wrote The Decameron: one hundred nested tales told by a group of young men and women passing the time at a villa outside Florence while waiting out the gruesome Black Death, a plague that killed more than 25 million people. Some of the stories are silly, some are bawdy, some are like fables. In March 2020, the editors of The New York Times Magazine created The Decameron Project, an anthology with a simple, time-spanning goal: to gather a collection of stories written as our current pandemic first swept the globe.
