Rebecca Duprey is working day and night to keep the family sheep station, Bluestone Ridge, afloat. But Bec's father, who's been in a wheelchair since a farming mishap, keeps second-guessing her decisions. Now, to add Bec's woes, her unfaithful ex-boyfriend has started lurking around, and the adjoining farm she'd hoped to buy has been snapped up by a guy from the city called Matt Harvey. After leaving his job in advertising, Matt became a bestselling novelist. But since the death of his fiancée in a car accident, he's had severe writer's block and is desperately hoping his move to the country will help him deal with his grief and allow him to focus on completing his next book. Problem is, he seems to have started off on the wrong foot with his new neighbour, Bec Duprey. Bec isn't quite sure when she started feeling attracted to Matt, but she's determined not to succumb to his charms. And Matt isn't sure when his feelings changed about Bec; all he knows is he can't get her out of his mind. Can Bec and Matt overcome their fear of loss to find love and happiness with each other...? This absolutely compelling novel deals with betrayal, tragedy, love - and how first impressions aren't always right.

In his blistering new novel, Cormac McCarthy returns to the Texas-Mexico border, setting of his famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million

dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph.
