The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

In honor of the four hundredth anniversary of Jamestown, a collection of writings taken from the journals of Captain John Smith limns a detailed portrait of the founding of the Jamestown colony, life in colonial Virginia, his efforts to establish trade relations with local Native Americans, and the real-life facts behind the legend of his relationship with Pocahontas. Original. 10,000 first printing.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Did you know there are some simple and highly effective, non-pharmaceutical ways to minimize your unwanted ADHD symptoms? Well, there are! You'll be amazed to discover that a few simple strategies can lead to significant changes in your ADHD symptoms. In this practical 'ADHD friendly' book, you'll discover the eleven specific and simple steps that help adults with ADHD flourish and reach their full potential. How to make simple lifestyle changes that will minimize the negative aspects of ADHD How to create an environment that encourages you to focus. How to identify and begin achieving your life goals today! Untapped Brilliance does more than just explain what changes to make and why..it shows you how to make those changes forever

The evening is a naturally reflective time of the day, when thoughts can end up going round and round in your head, landing on worst-case scenarios and interpretations. Five Minutes in the Evening is a guided journal designed to help you integrate any emotions experienced or discoveries made during the day and reflect on how you are feeling through the practice of journaling. The mere act of putting your thoughts onto paper can slow them down enough to allow you to consider them calmly rather than feeling consumed or overwhelmed by them. The human brain has a tendency to lean toward negative thinking, and so a few minutes of evening journaling is a very helpful tool for developing more positive mental habits. Focusing on gratitude has been shown to increase a person's sense of wellbeing and optimism, and describing the sensations associated with an activity you enjoy, such as how you feel in nature or while chatting to a good friend, offers similar benefits to the activity itself - your body will begin to feel the calm, grounded sensations that you feel in nature, or the sense of connection that you have while talking with a friend. Journaling is an excellent practice for clearing the clutter of your day and your mind. Simply writing down all the to-do lists that are floating around in your head, making you worried, can feel like a great relief. Many of the prompts and practices in this journal are based on the theme of letting go, as so many of us have a natural tendency to hold on to thoughts and mental or emotional baggage that are no longer serving us. In today's busy world, it can also be helpful to dedicate a few minutes at the end of the day

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

to doing less, to allow your energy to settle in preparation for restful sleep and to consider what really matters to you.

Are you serious about reaching your goals this year? Studies show that you are much more likely to achieve your goals just by writing them down. Based on the positive response to the original Leadership Journal, Gayle Lantz, executive coach and author, created a Second Edition. The Leadership Journal--Second Edition, offers new thought provoking quotes to inspire you in your leadership role. Following the same weekly format, you can capture key ideas and insights to help you move forward. If you are a CEO, business owner, executive, leader, entrepreneur or other motivated professional who wants to achieve BIG goals, you know it's easy to get off track. When do you have time to think and reflect on your business or personal life? How can you think more strategically, grow your business, stay ahead of your competition, manage your team and manage yourself? The Leadership Journal: A Weekly Goal-Setting Guide for Leaders helps you become more disciplined about achieving your business goals, leadership goals and personal goals. It's a simple, powerful leadership tool. Created by Gayle Lantz, founder of WorkMatters and acclaimed executive coach, the Leadership Journal helps you think and work smarter. Having coached hundreds of executives, Gayle understands the challenges that executives face and how they can work more effectively to achieve what's most important. Now you can benefit from Gayle's insights with the Leadership Journal as a tool to keep you focused and motivated to achieve the goals that are most important to you. Use the Leadership Journal to help you clarify your focus and accomplish your goals-one week at a time. Just 10-15 minutes each week will help you achieve what matters most to you. Use the Leadership Journal as a thinking tool to help you: -

Gain needed clarity about what's most important to you and where you want to go. - Sharpen your focus so you can stay on track and accomplish your goals more easily. - Accelerate your progress. You can move forward more quickly and easily. - Prompt your thinking about critical issues in your business and life. - Find leadership inspiration by reflecting on motivational leadership quotes. - Create new business ideas and new goals that excite you. - Spark strategic discussion with your team as you journal together. Order one for yourself, your team or anyone who could benefit from this empowering tool with inspiring leadership quotes.

Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive--and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills--and a relentless, dogged refusal to quit--he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

Mel Robbins broke self-publishing records and changed the lives of millions of people with her bestselling global phenomenon, *The 5 Second Rule*. And now, she's back with *The High 5 Habit* and on a mission to help you change your life. Don't let the title fool you. This isn't a book about high fiving everyone else in your life. You're already doing that. Instead, Mel teaches you how to start high fiving the most important person in your life, the one who is staring back at

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

you in the mirror: YOURSELF. If you struggle with self-doubt (and who doesn't?) ...If you're tired of that nagging critic in your head (could somebody evict them already?) ...If you're wildly successful but all you focus on is what's going wrong (you're not alone) ...If you're sick of watching everybody else get ahead while you sit on the couch with your dog (don't bring your dog into this)Mel dedicates this book to you. Using her signature science-backed wisdom, Mel will teach you how to make believing in yourself a habit so that you operate with the confidence that your goals and dreams demand. The High 5 Habit is a simple yet profound tool that changes your attitude, your mindset and your behaviour. So be prepared to laugh and learn as you take steps to immediately boost your confidence, happiness and results.

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. “Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement.”—The Boston Globe

Innocent! That final verdict came after George Cardinal Pell endured a grueling four years of accusations, investigations, trials, public humiliations, and more than a year of imprisonment after being convicted by an Australian court of a crime he did not commit. Led off to jail in handcuffs, following his sentencing on March 13, 2019, the 78-year-old Australian prelate began what was meant to be six years in jail for "historical sexual assault offenses". Cardinal Pell endured

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

more than thirteen months in solitary confinement, before the Australian High Court voted 7-0 to overturn his original convictions. His victory over injustice was not just personal, but one for the entire Catholic Church. Bearing no ill will toward his accusers, judges, prison workers, journalists, and those harboring and expressing hatred for him, the cardinal used his time in prison as a kind of "extended retreat". He eloquently filled notebook pages with his spiritual insights, prison experiences, and personal reflections on current events both inside and outside the Church, as well as moving prayers. In this second of three volumes, Cardinal Pell receives the terrible news that his first appeal is rejected. With the same grace, wisdom, and calm perseverance we see on display in Volume 1, he continues his quest for justice by appealing to the Australian High Court. Glimmers of hope emerge as more legal experts, including non-Catholics, join the chorus of those demanding that this miscarriage of justice be reversed. 'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

"Remarkable...Ekirch has emptied night's pockets, and laid the contents out

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

before us." —Arthur Krystal, *The New Yorker* Bringing light to the shadows of history through a "rich weave of citation and archival evidence" (*Publishers Weekly*), scholar A. Roger Ekirch illuminates the aspects of life most often overlooked by other historians—those that unfold at night. In this "triumph of social history" (*Mail on Sunday*), Ekirch's "enthraling anthropology" (*Harper's*) exposes the nightlife that spawned a distinct culture and a refuge from daily life. Fear of crime, of fire, and of the supernatural; the importance of moonlight; the increased incidence of sickness and death at night; evening gatherings to spin wool and stories; masqued balls; inns, taverns, and brothels; the strategies of thieves, assassins, and conspirators; the protective uses of incantations, meditations, and prayers; the nature of our predecessors' sleep and dreams—Ekirch reveals all these and more in his "monumental study" (*The Nation*) of sociocultural history, "maintaining throughout an infectious sense of wonder" (*Booklist*).

Fully revised and updated, the second edition of the *International Encyclopedia of the Social and Behavioral Sciences*, first published in 2001, offers a source of social and behavioral sciences reference material that is broader and deeper than any other. Available in both print and online editions, it comprises over 3,900 articles, commissioned by 71 Section Editors, and includes 90,000 bibliographic references as well as comprehensive name and subject indexes. decide what to do about them

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning “death” and *städning* meaning “cleaning.” This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you’d ever use) and which you might want to keep (photographs, love letters, a few of your children’s art projects). Digging into her late husband’s tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book”

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

(Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

ONE LINE A DAY A FIVE YEAR MEMORY BOOK LET'S MAKE YOUR 5 MEMORABLE YEARS This five years memorable reflection diary is your easy way to keep your special memorable time in everyday within five years. Suitable for everyone. A simple journal that offers one question per day, to be answered on the same day for five years in a row. The questions range from the prosaic ("What did you have for lunch today?") to the contemplative ("Can people really change?"), giving readers a comprehensive look back at their thoughts and feelings over a five-year span. For anybody who has ever given up journaling after being intimidated when facing a blank page, this book makes it easy to take a snapshot of your inner life in just a few minutes each day. The beauty of this journal is that it enables readers to track their emotional growth as well as keep track of memories, and provides an interesting walk down

Using research from Harvard Business School, you'll learn one simple mindset trick that keeps you present to what matters most, which is the secret to being in control. **BE THE HAPPIEST YOU** Science proves that your mood in the morning impacts your entire day. That's why this journal is designed to boost your mood first thing, so you can become a happier, smarter, and more positive person all day. The fact is, happier people get sh*t done.

This hands-on guide from Mel Robbins, one of America's top relationship experts and radio/tv personalities, addresses why over 100 million Americans secretly feel frustrated and bored with their lives and reveals what you can do about it. Mel Robbins has spent her career teaching people how to push past their self-imposed limits to get what they

Read Online The 5 Second Journal The Best Daily Journal And Fastest Way To Slow Down Power Up And Get Sh T Done

truly desire. She has an in-depth understanding of the psychological and social factors that repeatedly hold you back, and more important, a unique set of tools for getting you where you want to be. In *Stop Saying You're Fine*, she draws on neuroscientific research, interviews with countless everyday people, and ideas she's tested in her own life to show what works and what doesn't. The key, she explains, is understanding how your own brain works against you. Because evolution has biased your mental gears against taking action, what you need are techniques to outsmart yourself. That may sound impossible, but Mel has created a remarkably effective method to help you do just that--and some of her discoveries will astonish you. By ignoring how you feel and seizing small moments of rich possibility--a process she calls "leaning in"--you can make tiny course directions add up to huge change. Among this book's other topics: how everything can depend on not hitting the "snooze" button; the science of connecting with other people, what children can teach us about getting things done; and why five seconds is the maximum time you should wait before acting on a great idea. Blending warmth, humor and unflinching honesty with up-to-the-minute science and hard-earned wisdom, *Stop Saying You're Fine* moves beyond the platitudes and easy fixes offered in many self-help books. Mel's insights will actually help vault you to a better life, ensuring that the next time someone asks how you're doing, you can truthfully answer, "Absolutely great."

After his life is shattered, Henry and his father are forced to resume their lives in a new

city where in spite of Henry's desire to remain invisible he befriends some oddball characters at school and in the apartment building.

Get your pink on with this totally “fetch” hardcover journal inspired by the 2004 hit Mean Girls. Featuring graphics and imagery inspired by the iconic movie, this hardcover journal lies flat when open and includes 192 ruled pages, a ribbon placeholder, an elastic band, and a back pocket for storing keepsakes and mementos. "The 5 Second Rule" is a guide to transforming people and directing them towards taking action, changing their behavior and taking on the challenges of life head-on without worry. It was devised by Mel Robbins in his book "The 5 Second Rule: Transform Your Life, Work, and Confidence with Everyday Courage" (2017), in which she explains the science behind the 5 second rule, how it works and how to apply it to the important areas of life. According to Robbins, individuals only have five seconds to act on an impulse before they hesitate. In order to overrule one's hesitation, he/she must commit to acting by the time he/she counts down 5-4-3-2-1. Robbins refers to these moments as "push moments." These are the times when you have a thought about something such as approaching someone new or speaking up in a meeting. If individuals act rather than think, they will grow more courage and gain confidence. As individuals begin to use this starting ritual in their everyday lives, they will begin to see changes in their personal and professional lives. This starting ritual is a way to combat self-doubt and fear by making yourself physical move forwards. The book has become

a best seller among other non-fiction books in the United States. It has effective and easy to implement tips that anyone can follow in order to start taking control of their lives and thus move forward with confidence towards a brighter future. Click Buy now with 1-Click to Own Your Copy Today!

WHAT'S IMPORTANT TO YOU TODAY? What if five minutes could change your routine and change your day? What if you checked in with how you are feeling for just those few minutes, maybe sitting down over that cup of coffee or tea, or quietly sitting by the window before you head towards the shower? Writing things down has been shown to help people more successfully achieve their dreams and goals. It is a way to help us focus on what matters, prioritise what we are going to do for the day ahead and track our progress. Five Minutes in the Morning offers a beautiful space and creative exercises to encourage reflection and intention setting at the start of the day. ALL IT TAKES IS FIVE MINUTES IN THE MORNING.

A sampling of the writings of Chinese women poets from ancient times to the twentieth century is accompanied by brief biographies and a discussion of their influence on Chinese literature.

The action-oriented Success Journal provides a beautifully designed and fully organized space to determine your goals, break them into achievable steps, and record your progress. productivity. The Artist's Way Morning Pages Journal includes an introduction by Julia Cameron, complete instructions on how to use the Morning Pages and benefit fully from their daily use, and inspiring quotations that will guide you through the process.

Throughout your life, you've had parents, coaches, teachers, friends, and mentors who have pushed you to be better than your excuses and bigger than your fears. What if the secret to having the confidence and courage to enrich your life and work is simply knowing how to push yourself? Using the science habits, riveting stories and surprising facts from some of the most famous moments in history, art and business, Mel Robbins will explain the power of a "push moment." Then, she'll give you one simple tool you can use to become your greatest self. It take just five seconds to use this tool, and every time you do, you'll be in great company. More than 8 million people have watched Mel's TEDx Talk, and executives inside of the world's largest brands are using the tool to increase productivity, collaboration, and engagement. In The 5 Second Rule, you'll discover it takes just five seconds to: Become confident Break the habit of procrastination and self-doubt Beat fear and uncertainty Stop worrying and feel happier Share your ideas with courage The 5 Second Rule is a simple, one-size-fits-all solution for the one problem we all face—we hold ourselves back. The secret isn't knowing what to do—it's knowing how to make yourself do it. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

Presents a controversial history of violence which argues that today's world is the most

peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure. This highly illustrated, step-by-step guide gives detailed instructions for dozens of different manipulation techniques, covering all levels of the spine, thorax, and pelvis. It also includes a helpful overview of the principles and theory of spinal manipulation and its use in clinical practice. The accompanying DVD contains video clips demonstrating the techniques described in the book. The new edition is a highly illustrated, step-by-step guide to 41 manipulation techniques commonly used in clinical practice. The book also provides the related theory essential for safe and effective use of manipulation techniques.

'Beautiful, evocative, authoritative.' Professor Brian Cox 'Important reading not just for anyone interested in these ancient cousins of ours, but also for anyone interested in humanity.' Yuval Noah Harari Kindred is the definitive guide to the Neanderthals. Since their discovery more than 160 years ago, Neanderthals have metamorphosed from the losers of the human family tree to A-list hominins. Rebecca Wragg Sykes uses her experience at the cutting-edge of Palaeolithic research to share our new understanding of Neanderthals, shoving aside clichés of rag-clad brutes in an icy wasteland. She reveals them to be curious, clever connoisseurs of their world, technologically inventive and ecologically adaptable. Above all, they were successful survivors for more than 300,000 years, during times of massive climatic upheaval. Much of what defines us was

also in Neanderthals, and their DNA is still inside us. Planning, co-operation, altruism, craftsmanship, aesthetic sense, imagination, perhaps even a desire for transcendence beyond mortality. Kindred does for Neanderthals what Sapiens did for us, revealing a deeper, more nuanced story where humanity itself is our ancient, shared inheritance. From two of the world's top scientists and one of the world's top science writers (all parents), *Dirt Is Good* is a q&a-based guide to everything you need to know about kids & germs. "Is it OK for my child to eat dirt?" That's just one of the many questions authors Jack Gilbert and Rob Knight are bombarded with every week from parents all over the world. They've heard everything from "My two-year-old gets constant ear infections. Should I give her antibiotics? Or probiotics?" to "I heard that my son's asthma was caused by a lack of microbial exposure. Is this true, and if so what can I do about it now?" Google these questions, and you'll be overwhelmed with answers. The internet is rife with speculation and misinformation about the risks and benefits of what most parents think of as simply germs, but which scientists now call the microbiome: the combined activity of all the tiny organisms inside our bodies and the surrounding environment that have an enormous impact on our health and well-being. Who better to turn to for answers than Drs. Gilbert and Knight, two of the top scientists leading the investigation into the microbiome—an investigation that is producing fascinating discoveries and bringing answers to parents who want to do the best for their young children. *Dirt Is Good* is a comprehensive, authoritative, accessible guide you've been
