My name is A.J. I'm a billionaire. I've always had to claw my way to the top, but I finally made it. I run my business like a maniac. That's how I made my first billion by the age of 30. There's nothing I can't have. Women throw themselves at me, but there's only one problem. I'm not interested. I've never wanted anything that was too easy for me to obtain. That includes women. I can possess anything and anyone, but not Sierra. Sweet, shy Sierra. So naive, so innocent. She doesn't want a relationship with me, but she has no choice... I'm Sierra. Why do I keep scraping the bottom of the barrel when it comes to men? Maybe I shouldn't be too picky, though. I'm 90 pounds overweight, broke, and desperate for a baby. The guys I'm attracted to run the other way when they see me coming, but not A.J. He's rich, sexy-as-hell, and nice. Why would he want someone like me? I think I know why. I believe he's hiding a secret, and I hope I found out what it is before it's too late... This steamy billionaire romance bundle includes the following books: The Billionaire's Game The Billionaire Boss The Billionaire's Bargain The Billionaire's Gift The Billionaire's Caregiver The Billionaire's Wish The Billionaire's Secret Legal Affairs The Billionaire's Desire The Billionaire's Addiction Unexpected Romance Buy Now!

100 Shades of Sin... In *The Billionaires*, Calista Fox delivers a sexy and

sensuous friends-to-lovers tale with a delicious love triangle twist. Jewel Catalano, Rogen Angelini, and Vin D'Angelo had been childhood best friends, spending every possible moment with one another. Rogen became her first love, the first one to show her what pleasure could be. Until a volatile feud erupted between their powerful California wine country families and she and Rogen were torn apart from each other. What she didn't expect was to find comfort and passion like she had never known in Vin's arms and bed. But when that too ended in disaster, Jewel moved to San Francisco to work for the Catalano empire. Years later, a series of daring acquisitions brings Jewel back to River Cross, the hometown where Rogen and Vin have recently returned as well. Jewel has the curves, the smarts, and the success to bring any man to his knees—especially the two men who remained best friends and still burn to possess her. Mixing family business with erotic pleasure ignites a smoldering love triangle. But in order to pull off the bold deal that will build the trios' own legacy and to stay in their heady, sensual paradise, they must discover what true love really is—or lose everything their hearts' desire, in *The Billionaires* by Calista Fox.

My new boss has it all. In spades. Gorgeous green eyes? Check. Hard-and-sexy body? Check. Intelligence? Check. Success? A big fat billionaire... Check. Too bad I haven't started out on the best foot. My big mouth has already turned him against me, and tempting good looks and success aside, Trent Turner is no peach either. He's stubborn and thick-headed, and son of a fruitcake, he thinks he knows everything there is to know about the hotel business. With him running the development of the new Vanderturn New Orleans Hotel and me doing the design, our work relationship is far too intimate for two people who absolutely despise one another. But that's not all. See, he isn't just my billionaire boss from

hell. He's my new neighbor, too. Same city. Same building. Same floor. Trent Turner is my billionaire boss next door. Holy moly, let's hope my career-and hormones-can survive. Disclaimer: If you generally love to suffer, hate fun of any kind, and are allergic to laughter, this book is not for you.

My hot secretary used me to push her ex away. It backfired. But let me back up a little... She asked me to be her fake fiancé. Me... the most powerful man in the city. I should've said no. I shouldn't have cared about what she wanted. But her sweet curves didn't let me be that indifferent. Making her ex jealous was one thing. Showing her off to my own family was another. My snooty folks hated her. And that brought us closer. It made this fake arrangement a little more real. Very real. And it also made working with her awkward. Very awkward. But the worst part was when she disappeared, and then showed up with a baby bump. I was about to be a father. And I was determined to make my former fake fiancée...my wife.

LUNA: I may have lied on my resumé. Just a little bit. I mean, everyone does it, right? And who needs a degree to be a personal assistant, anyway? Besides, I'm desperate. Being the legal guardian of my 17-year-old brother is challenging enough, but with this lymphoma diagnosis? Let's just say I'm almost at my breaking point. So, yeah. I fudged a bit. Oh, yeah, and did I mention sexy? Get it together, woman! I need this job, so absolutely nothing can come of my little crush. Not that he looks at me in that way at all. Though sometimes I wonder... DECLAN: What was I thinking, hiring little Luna? She came in for an interview and I swear I hardly heard a word she said. All I could focus on were her eyes. And her lips. And curves. And how she was so small I could put her in my pocket and carry her around and protect her from every bad thing. But I'm not that guy. Never will be. I regret hiring her as soon as she shows up for her first day on the job, but I can't fire her thanks to the board breathing down my neck. Luna is all bright colors and smiles, whereas I'm more of the monotone, growly type. I shouldn't want her. I shouldn't think about the curve of her lips or the way she smells like oranges and vanilla. I shouldn't even be considering making a move. But one phone call changes everything. BOSS ME FOREVER is the first book in the BOSS ME series. Each book can be read as a standalone. Luna is colorful, sassy, and just what Declan needs, though he doesn't know it. As with all of my books, there's no cheating, plenty of steamy Kindle melting action, and a guaranteed HEA! This book has an OTT alpha, a quirky heroine, spicy love scenes, and enough sweetness to give you a cavity. If that's your thing, this is the book for you! \*\*Mature content. 18+ only, please!

Book 2 The last slither of setting sunlight peeks it's head over the dark horizon as I stand in the street outside my house, setting the sky above in beautiful ripples of smokey grey, dark purple and fiery orange. It's an enchanting sight, but I can't seem to tear my eyes from the sleek, black Mercedes that has just pulled up in front of me. As I gawp like an open-mouthed fool, a man steps out of the driver's side. For a second my breath catches in my throat, thinking that it could be Logan Norse - my mesmerisingly good-looking (if undeniably impertinent and arrogant) boss. But then I catch sight of the chauffeur's cap and the double breasted, shining silver buttoned jacket, and my heart allows itself to resume its normal pace. Of course I should have known that Norse would never drive himself anywhere, let alone come and pick me up to take me to the airport personally. sinuses a little. I gaze down at the wooden kitchen table top through burning, blurry eyes, my vision fuzzy and distorted through the last of the tears I've been crying for God knows how long. As I begin to finally regain my senses and awareness, I realise with a shock that this must be at least the fifth cup of tea my housemate, Gina, has patiently made for me, and that while I've been sat here, weeping and drinking slurpily, the morning sun has fully risen and now shines in at me through the small kitchen window, illuminating what I can only imagine to be my very mascara-streaked, puffy and unattractive face. What a wretched state I must look - and all over an obnoxious, ass-hole of a man. **WARNING: Mature readers only.** Search Terms: alpha male romance, billionaire romance, contemporary romance, young adults romance, bad boy romance, romance short stories, second chance romance, steamy romance, hot romance books, love story, office romance, boss romance, romance bundles, boxed sets romance, romance e book collection, romance collection, beach reads, new adult New York Times Bestselling Author "We play by my rules now." —Kit, the new boss Who does Kit Walker think he is?
