family and begins to imagine a life for herself beyond the role of dutiful daughter that she has played for so long. Full of long-simmering tensions, buried secrets, questionable saviors, and broken promises, this is a story about how much we are beholden to others and what we owe ourselves. Layered and intimate, *The Sisters Sweet* heralds the arrival of an accomplished new voice in fiction.

**NEW YORK TIMES EDITORS' CHOICE** • A tender and vivid memoir about the radical grace we discover when we consider ourselves bound together in community, and a moving account of one woman's attempt to answer the essential question *Who are we to one another?* "Liz Hauck reveals fascinating, sobering, and urgent truths about boyhood, inequality, and the power and promise of community."—Piper Kerman, *New York Times* bestselling author of *Orange Is the New Black* Liz Hauck and her dad had a plan to start a weekly cooking program in a residential home for teenage boys in state care, which was run by the

human services agency he co-directed. When her father died before they had a chance to get the project started, Liz decided she would try it without him. She didn't know what to expect from volunteering with court-involved youth, but as a high school teacher she knew that teenagers are drawn to food-related activities, and as a daughter, she believed that if she and the kids made even a single dinner together she could check one box off of her father's long, unfinished to-do list. This is the story of what happened around the table, and how one dinner became one hundred dinners. "The kids picked the menus, I bought the groceries," Liz writes, "and we cooked and ate dinner together for two hours a week for nearly three years. Sometimes improvisation in kitchens is disastrous. But sometimes, a combination of elements produces something spectacularly unexpected. I think that's why, when we don't know what else to do, we feed our neighbors." Capturing the clumsy choreography of cooking with other people, this is a sharply observed story about the ways we behave when we are hungry and the conversations that happen at the intersections of flavor and memory, vulnerability and strength, grief and connection.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to

From the New York Times bestselling author of the Emily Windsnap series, Liz Kessler, comes a poignant and harrowing story of three young friends whose fates are intertwined during the devastation of the Holocaust—based on a true story. Three friends. One memory. Vienna. 1936. Three young friends—Leo, Elsa, and Max—spend a perfect day together, unaware that around them Europe is descending into a growing darkness and that they will soon be cruelly ripped apart from one another. With their lives taking them across Europe—to Germany, England, Prague, and Poland—will they ever find their way back to one another? Will they want to? Inspired by a true story, *When the World Was Ours* is an extraordinary novel that is as powerful as it is heartbreaking and that shows how the bonds of love, family, and friendship allow glimmers of hope to flourish, even in the most hopeless of times.

Danny Ellis is a survivor, strong and resilient. An acclaimed singer/songwriter, he is proud of the way he handled his difficult past: poverty in the 1950s Dublin slums and the brutality of the Artane Industrial School. He felt as though he had safely disposed of it all, until one night, while writing the powerful song that would launch his highly-praised album, *800 Voices* ("A searing testament." —Irish Times), Danny's past crept back to haunt him. Confronted by forgotten memories of betrayal and abandonment, he was stunned to discover that his eight-year-old self was still trapped in a world he thought he had left behind. Although unnerved by his experience, Danny begins an arduous journey that leads him back to the streets of Dublin, the tenement slums, and, ultimately, the malice and mischief of the Artane playground. What he discovers with each twist and turn of his odyssey will forever change his life. Elegantly written, this is a brutally
