Diary of a Wimpy Kid

Instant New York Times bestseller · Hilarious stories and advice about the ups and downs of growing up, from a popular YouTube artist and storyteller. Like any shy teen turned young adult, YouTube star James Rallison ("The Odd 1s Out") is used to being on the outside looking in. He wasn't partying in high school or winning football games like his older brother. Instead, he posted comics on the Internet. Now, he's ready to share his hard-earned advice from his 21 years of life in the funny, relatable voice his fans love. In this illustrated collection, Rallison tells his own stories of growing up as the "odd one out": in art class with his twin sister (she was more talented), in the middle school locker room, and up to one strange year of college (he dropped out). Each story is filled with the little lessons he picked up along the way, serious and otherwise, like: * How to be cool (in seventh grade) * Why it's OK to be second-best at something, and * How to survive your first, confidence-killing job interviews. Filled with fan-favorite comics and never-before-seen material, this tongue-in-cheek take on some of the weirdest, funniest parts of life is perfect for both avid followers and new converts.

John Reynolds Gardiner's classic action-packed adventure story about a thrilling

dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

Get ready, Book 12 in the phenomenally bestselling DIARY OF A WIMPY KID series is coming! Join Greg on a family holiday he'll never forget! To escape the stress of the holidays, the Heffleys decide to get out of town and go to a resort instead of celebrating Christmas at home. BUt what's billed as a stress-free vacation becomes a holiday nightmare. THE funniest books you'll EVER read.

A family road trip is supposed to be a lot of fun . . . unless, of course, you're the Heffleys. The journey starts off full of promise, then quickly takes several wrong turns. Gas station bathrooms, crazed seagulls, a fender bender, and a runaway pig—not exactly Greg Heffley's idea of a good time. But even the worst road trip can turn into an adventure—and this is one the Heffleys won't soon forget.

Jeff Kinney has brought Greg Heffley back for the ninth instalment of his bestselling Diary of a Wimpy Kid series. This time, the Heffleys are off on a road trip! The chances of survival are... quite small to be honest. If I had to guess, I'd say 90% of everything we do as a family comes from ideas Mom gets from that magazine. And when I saw the latest issue I knew it was gonna get Mom's wheels turning. When Greg's mom decides the family are going to have an 'authentic experience' this summer on a family road trip, Greg is less than excited. All the Heffley's trapped in a minivan for miles and miles... it spells disaster. And when Greg has to battle petrol-station bathrooms, crazed seagulls, a fender bender and a runaway pig, it seems he was right to be worried. This is one adventure the Heffleys won't forget! Reluctant and avid readers of 7+ can't get enough of Greg and the disasters that follow him around!

In The Third Wheel, love is in the air—but what does that mean for Greg Heffley? A Valentine's Day dance at Greg's middle school has turned his world upside down. As Greg scrambles to find a date, he's worried he'll be left out in the cold on the big night. His best friend, Rowley, doesn't have any prospects either, but that's a small consolation. Then an unexpected twist gives Greg a partner for the dance and leaves

Rowly the odd man out. But a lot can happen in one night, and in the end, you never know who's going to be lucky in love. 'Writing The Third Wheel has been a lot of fun because there's so much humor to be mined in the world of middle school romance. When the dust settles at the end of the seventh book, the Wimpy universe will be changed in a way that will surprise fans of the series.' says author, Jeff Kinney. In *The Deep End*, book 15 of the *Diary of a Wimpy Kid* series from #1 international bestselling author Jeff Kinney, Greg Heffley and his family hit the road for a cross-country camping trip, ready for the adventure of a lifetime. But things take an unexpected turn, and they find themselves stranded at an RV park that's not exactly a summertime paradise. When the skies open up and the water starts to rise, the Heffleys wonder if they can save their vacation - or if they're already in too deep. And don't miss an all-new fantasy from Greg's best friend in Rowley Jefferson's *Awesome Friendly Adventure*, the follow-up to the instant #1 bestseller *Diary of an Awesome Friendly Kid-Rowley Jefferson's Journal*.

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight-the fight to stay alive.

It's all but certain that the next fifty years will bring enormous, not to say cataclysmic, disruptions to our present way of life. World oil reserves will be exhausted within that time frame, as will the lithium that powers today's most sophisticated batteries, suggesting that transportation is equally imperiled. And there's another, even more dire limitation that is looming: at current rates of erosion, the world's topsoil will be gone in sixty years. Fresh water sources are in jeopardy, too. In short, the large-scale agricultural and food delivery system as we know it has at most a few decades before it exhausts itself and the planet with it. *Farming for the Long Haul* is about building a viable small farm economy that can withstand the economic, political, and climatic shock waves that the twenty-first century portends. It draws on the innovative work of contemporary farmers, but more than that, it shares the experiences of farming societies around the world that have maintained resilient agricultural systems over centuries of often-turbulent change. Indigenous agriculturalists, peasants, and traditional farmers have all created broad strategies for survival through good times and bad, and many of them prospered. They also developed particular techniques for managing soil, water, and other resources sustainably. Some of these techniques have been taken up by organic agriculture and permaculture, but many more of them are virtually unknown, even among alternative farmers. This book lays out some of these strategies and presents techniques and tools that might prove most useful to farmers today and in the uncertain future.

"There's nothing semi about Finn Murphy's trucking tales of The Long Haul."—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.
