"Built from the skulls of fallen generals and demon princes, the Skull Throne of Krasia is a seat of honor and powerful magic that keeps the demon corelings at bay. Now it stands empty. From atop it, Ahmann Jardir was meant to conquer the known world, forging a unified army to end the demon war once and for all. Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel to the death. Rather than risk defeat, Arlen cast Jardir and himself from a precipice, opening a struggle for succession that threatens to tear the Free Cities of Thesa apart"--Back cover.

Prepare for the final descent into darkness. Sunday Times and New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first

century to an epic close.

Humanity has been brought to the brink of extinction. Each night, the world is overrun by demons - bloodthirsty creatures of nightmare that have been hunting and killing humanity for over 300 years. A scant few hamlets and half-starved city-states are all that remain of a once proud civilization, and it is only by hiding behind wards, ancient symbols with the power to repel the demons, that they survive.

When you are all out of heroes, all that's left are the villains. Black Herran was a dread demonologist, and the most ruthless general in all Essoran. She assembled the six most fearsome warriors to captain her armies: a necromancer, a vampire lord, a demigod, an orcish warleader, a pirate queen, and a twisted alchemist. Together they brought the whole continent to its knees... Until the day she abandoned her army, on the eve of total victory. 40 years later, she must bring her former captains back together for one final stand, in the small town of Tarnbrooke – the last bastion against a fanatical new enemy tearing through the land, intent on finishing the job Black Herran started years before. Seven bloodthirsty monsters. One town. Their last hope. File Under: Fantasy [ Heroes or Horrors? | Flames and Faith | Blood and Guts | Hell Demons ]

Arlen Bales became known as the Warded Man, tattooed head to toe with powerful magic symbols that enable him to fight demons in hand-to-hand combat--and emerge victorious. Jardir, armed with magically warded weapons, called himself the Deliverer, a figure prophesied to unite humanity and lead them to triumph in Sharak Ka--the final war against demonkind. But in their efforts to bring the war to the demons, Arlen and Jardir have set something in motion that may prove the end of everything they hold dear--a swarm. Now the war is at hand, and humanity cannot hope to win it unless Arlen and Jardir, with the help of Arlen's wife, Renna, can bend a captured demon prince to their will and force the devious creature to lead them to the Core, where the Mother of Demons breeds an inexhaustible army. Trusting their closest confidantes, Leesha, Inevera, Ragen, and Elissa, to rally the fractious people of the Free Cities and lead them against the swarm, Arlen, Renna, and Jardir set out on a desperate quest into the darkest depths of evil--from which none of them expects to return alive. NEW YORK TIMES BESTSELLER With *The Warded Man* and *The Desert Spear*, Peter V. Brett surged to the front rank of contemporary fantasy, standing alongside giants in the field such as George R. R. Martin, Robert Jordan, and Terry Brooks. *The Daylight War*, the eagerly anticipated third volume in Brett's internationally bestselling Demon Cycle, continues the epic tale of humanity's last stand against an army of demons that rise each night to prey on mankind. On the night of the new moon, the demons rise in force, seeking the deaths of two men, both of whom have the potential to become the fabled Deliverer, the man prophesied to reunite the scattered remnants of humanity in a final push to destroy the demon corelings once and for all. Arlen Bales was once an ordinary man, but now he has become something more—the Warded Man, tattooed with eldritch wards so powerful they make him a match for any demon. Arlen denies he is the Deliverer at every turn, but the more he tries to be one with the common folk, the more fervently they believe. Many would follow him, but Arlen's path threatens to lead to a dark place he alone can travel to, and from which there may be no returning. The only one with hope of keeping Arlen in the world of men, or joining him in his descent into the world of demons, is Renna Tanner, a fierce young woman in danger of losing herself to the power of demon magic. Ahmann Jardir has forged the warlike desert tribes of Krasia into a demon-killing army and proclaimed himself Shar'Dama Ka, the Deliverer. He carries ancient weapons—a spear and a crown—that give credence to his claim, and already vast swaths of the green lands bow to his control. But Jardir did not come to power on his own. His rise was engineered by his First Wife, Inevera, a cunning and powerful priestess whose formidable demon bone magic gives her the ability to glimpse the future. Inevera's motives and past are shrouded in mystery, and even Jardir does not entirely trust her. Once Arlen and Jardir were as close as brothers. Now they are the bitterest of rivals. As humanity's enemies rise, the only two men capable of defeating them are divided against each other by the most deadly demons of all—those lurking in the human heart. Look for Peter V.
