This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. The Sorcerer's Secrets is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, The Sorcerer's Secrets is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. The Sorcerer's Secrets will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

You could be the target of a spell or curse and not even know it! All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. Protection & Reversal Magick is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to: Set up early-warning systems. Appease angry spirits

through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal “decoys” to absorb attacks against you. Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for Wiccans, either, but for ceremonial magicians, rootdoctors, witches, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can defend yourself and your loved ones against even the strongest attacks!

When I first began writing this book, my goal was not only to make magick easy to understand but also explain to the reader what makes magick work and why. This book will teach beginner and seasoned practitioner new and interesting ways to practice the occult magick of old. In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, “There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether.”

What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: “As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that.” —Cristina

“The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.” —Adrian

“If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

The author presents his perspectives and personal experiences on mentalism and how it can be used to tap into the mind's hidden powers.

The use of sexual elixirs in alchemy and practical sorcery. How to work with sexual spirits and gods. The dangers of sex magic and how to avoid them. A grimoire of sexual spells and rituals. This daring and tantalizing work throws open the doors into the realms of sexual magic that have been hidden behind secret orders and arcane terminology for far too long—until now.

Carlos Castaneda reintroduced ancient Toltec wisdom to the world, allowing for a new generation to discover an unparalleled discipline. His academic perspective and abstract explanations succeeded in revealing a long forgotten doorway to knowledge, yet simultaneously abandoned Seekers at its threshold. Today's self-proclaimed modern masters have further distorted this powerful discipline, sacrificing truth in an attempt to market a watered-down version of spirituality to the masses. In one swift motion don Jesus M. Ramirez has swept away the competition with superior explanations of complex concepts, authentically translating secrets of ancient Toltec wisdom. Sorcerer's Secrets, Book 1 takes Seekers to the precipice of knowledge, allowing them to stare down into the abyss. Its insightful Warrior's strategies use

There are no shortcuts or handholding, and just as it is with death, everyone must earn their freedom alone.
