"Author of the critically acclaimed Tintin and the World of Hergé and the last person to interview Remi, Benoit Peeters tells the complete story behind Hergé's origins and shows how and why the nom de plume grew into a larger-than-Remi personality as Tintin's popularity exploded. Drawing on interviews and using recently uncovered primary sources for the first time, Peeters reveals Remi as a neurotic man who sought to escape the troubles of his past by allowing Hergé's identity to subsume his own. As Tintin adventured, Hergé lived out a romanticized version of life for Remi."--Jacket.

In *The Castafiore Emerald* (1963), all the characters from the series gather in Marlinspike Hall for a real comedy classic behind closed doors. Resolutely turning his back on the adventure genre, Hergé concentrates on describing the difficulties of communication between human beings. This is the "anti-adventure", full of misunderstandings, a comedy of errors.
