

## Vulgar Favours Now A Major Bbc Tv Series About The Hunt For Andrew Cunanan The Man Who Killed Gianni Versace

Read the true story of the manhunt that inspired *The Assassination of Gianni Versace: American Crime Story*, the acclaimed FX series. “The breadth and thoroughness of [Maureen] Orth’s research are often staggering.”—*The New York Times* “Fascinating . . . ripe with chilling detail.”—*Entertainment Weekly* On July 15, 1997, Gianni Versace was shot and killed on the steps of his Miami Beach mansion by serial killer Andrew Cunanan. But months before Versace’s murder, award-winning journalist Maureen Orth was already investigating a major story on Cunanan for *Vanity Fair*. Culled from interviews with more than four hundred people and insights gleaned from thousands of pages of police reports, *Vulgar Favours* tells the complete story of Andrew Cunanan, his unwitting victims, and the moneyed world in which they lived . . . and died. Orth reveals how Cunanan met Versace, and why police and the FBI repeatedly failed to catch him. Here is a gripping odyssey that races across America—from California’s wealthy gay underworld to modest Midwestern homes of families mourning the loss of their sons to South Beach and its unapologetic decadence. *Vulgar Favours* is at once a masterwork of investigative journalism and a riveting account of a sociopath, his crimes, and the mysteries he left along the way.

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

An unauthorized chronicle of the rise of the influential fashion entrepreneur reveals family secrets pertaining to the crimes, tragedies, and intense rivalries that shaped his career, offering insight into the ongoing struggle to maintain his legacy after his death.

This book contains five stories by Irish author Oscar Wilde and are retold, with an introduction by Oscar Wilde's grandson. The book was edited by Merlin Holland.

Major Ernest Pettigrew is perfectly content to lead a quiet life in the sleepy village of Edgecombe St Mary, away from the meddling of the locals and his overbearing son. But when his brother dies, the Major finds himself seeking companionship with the village shopkeeper, Mrs Ali. Drawn together by a love of books and the loss of their partners, they are soon forced to contend with irate relatives and gossiping villagers. The perfect gentleman, but the most unlikely hero, the Major must ask himself what matters most: family obligation, tradition or love? Funny, comforting and heart-warming, Major Pettigrew's Last Stand proves that sometimes, against all odds, life does give you a second chance.

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

A sardonic and artful reconstruction of the brief life of the party boy who became a media sensation for shooting Gianni Versace. It was suddenly chic to be “targeted” by Andrew.... It also became chic to claim a deep personal friendship with Versace, to infer that one might, but for a trick of fate, have been with Versace at the very moment of his “assassination,” as it had once been chic to reveal one's invitation to Cielo Drive in the evening of the Tate slayings, an invitation only declined because of car trouble or a previous engagement... —from *Three Month Fever* First published in 1999, Gary Indiana's *Three Month Fever* is the second volume of his famed crime trilogy, now being republished by Semiotext(e). (The first, *Resentment*, reissued in 2015, was set in a Menendez trial-era L.A.) In this brilliant and gripping hybrid of narrative and reflection, Indiana considers the way the media's hypercoverage transformed Andrew Cunanan's life “from the somewhat poignant and depressing but fairly ordinary thing it was into a narrative overripe with tabloid evil.” “America loves a successful sociopath,” Indiana explains. This sardonic and artful reconstruction of the brief life of the party boy who became a media sensation for shooting Gianni Versace is a spellbinding fusion of journalism, social commentary, and novelistic projection. By following Cunanan's notorious “trail of death,” Indiana creates a compelling portrait of a brilliant, charismatic young man whose pathological lies made him feel more like other people—and more interesting than he actually was. Born in a working-class exurb of San Diego and educated at an elite private school, Cunanan strove to “blend in” with the upscale gay male scene in La Jolla. He ended up crazed and alone, eventually embarking on a three-month killing spree that took the lives of five men, including that of Versace, before killing himself in a Miami boathouse, leaving behind a range of unanswerable questions and unsolvable mysteries. “Gary Indiana belongs to a special breed of American urban writers who take cool pleasure in dissecting the lives of the rich and ugly and is possibly the most jaded chronicler of them all. On a good day, he makes Bret Easton Ellis look like Enid Blyton, yet many, myself included, think he might have already written the Great America Novel(s).” —Christopher Fowler, *The Independent*

*Vulgar Favours* The Assassination of Gianni Versace Bantam

*The Way We Live Now* is Anthony Trollope's longest novel, published in two volumes in 1875 after first appearing in serial form. After an extended visit to Australia and New Zealand in 1872, Trollope was outraged on his return to England by a number of financial scandals, and was determined to expose the dishonesty, corruption, and greed they embodied. *The Way We Live Now* centers around a foreign businessman, Augustus Melmotte, who has come to prominence in London despite rumors about his past dealings on the Continent. He is immensely rich, and his daughter Marie is considered to be a desirable catch for several aristocratic young men in search of a fortune. Melmotte gains substantial influence because of his wealth. He rises in society and is even put up as a candidate for Parliament, despite a general feeling that he must be a fraudster and liar. A variety of sub-plots are woven around this central idea. *The Way We Live Now* is generally considered to be one of Trollope's best novels and is often included in lists of the best novels written in English. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Dupayne, a small private museum in London devoted to the interwar years 1919 - 1939, is in turmoil. As its trustees argue over whether it should be closed, one of them is brutally and mysteriously murdered. Yet even as Commander Dalgliesh and his team proceed with their investigation, a second corpse is discovered. Someone in the Dupayne is prepared to kill and kill again. Still more sinister, the murders appear to echo the notorious crimes of the past featured in one of the museum's galleries: the Murder Room. The case is fraught with danger

## Download Free Vulgar Favours Now A Major Bbc Tv Series About The Hunt For Andrew Cunanan The Man Who Killed Gianni Versace

and complications from the outset, but for Dalgliesh the complications are unexpectedly profound. His new relationship with Emma Lavenham -- introduced in the last Dalgliesh novel, *Death in Holy Orders* -- is at a critical stage. Now, as he moves closer and closer to a solution to the puzzle, he finds himself driven further and further from commitment to the woman he loves.

"The unlikeliest of champions, the 1949-50 City College Beavers were extraordinary by every measure: City College was a tuition-free, merit-based college in Harlem known for its intellectual achievements and political radicalism rather than its athletic prowess. Only two years after Jackie Robinson broke the major league baseball color barrier (and the NBA was still segregated), every single member of the Beavers was either Jewish or African American. Yet this scrappy, come-from-nowhere team thrived in the highly competitive era when college basketball fans dwarfed the numbers that followed the professional teams. Then, less than a year after winning both the NIT and NCAA basketball tournaments in the same season--still the only team to ever have done so--the team's starting five were arrested. Charged with colluding with gamblers to shave points, these celebrated young men became symbols of disillusionment and corruption. Their dramatic story is set against the larger backdrop of post-war New York when gangsters controlled the city's illegal sports gambling, the police were on their payroll, and everyone was getting rich--except the young men actually playing the games. Yet they were the ones who took the fall when the party finally ended"--

Think *Game of Thrones* meets *Buffy the Vampire Slayer* with a drizzle of *E.L. James* - Telegraph Perfect for fans of *Jessica Jones* and *True Blood*, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

Read the true story of the manhunt that inspired *The Assassination of Gianni Versace: American Crime Story*, the latest chapter of the acclaimed FX series. On July 15, 1997, Gianni Versace was shot and killed on the steps of his Miami Beach mansion by serial killer Andrew Cunanan. But months before Versace's murder, award-winning journalist Maureen Orth was already investigating a major story on Cunanan for *Vanity Fair*. Culled from interviews with more than four hundred people and insights gleaned from thousands of pages of police reports, *Vulgar Favours* tells the complete story of Andrew Cunanan, his unwitting victims, and the moneyed world in which they lived . . . and died. Orth reveals how Cunanan met Versace, and why police and the FBI repeatedly failed to catch him. Here is a gripping odyssey that races across America--from California's wealthy gay underworld to modest Midwestern homes of families mourning the loss of their sons to South Beach and its unapologetic decadence. *Vulgar Favours* is at once a masterwork of investigative journalism and a riveting account of a sociopath, his crimes, and the mysteries he left along the way. "The breadth and thoroughness of Maureen] Orth's research are often staggering."--The New York Times "Fascinating . . . ripe with chilling detail."--Entertainment Weekly

The Pulitzer Prize and Drama Critics Circle Award winning play. *A Streetcar Named Desire* is the tale of a catastrophic confrontation between fantasy and reality, embodied in the characters of Blanche DuBois and Stanley Kowalski. Fading southern belle Blanche DuBois is adrift in the modern world. When she arrives to stay with her sister Stella in a crowded, boisterous corner of New Orleans, her delusions of grandeur bring her into conflict with Stella's crude, brutish husband Stanley Kowalski. Eventually their violent collision course causes Blanche's fragile sense of identity to crumble, threatening to destroy her sanity and her one chance of happiness.

A real-life Talented Mr. Ripley, the unbelievable thirty-year run of a shape-shifting con man. The story of Clark Rockefeller is a stranger-than-fiction twist on the classic American success story of the self-made man--because Clark Rockefeller was totally made up. The career con man who convincingly passed himself off as Rockefeller was born in a small village in Germany. At seventeen, obsessed with getting to America, he flew into the country on dubious student visa documents and his journey of deception began. Over the next thirty years, boldly assuming a series of false identities, he moved up the social ladder through exclusive enclaves on both coasts--culminating in a stunning twelve-year marriage to a rising star businesswoman with a Harvard MBA who believed she'd wed a Rockefeller. The imposter charmed his way into exclusive clubs and financial institutions--working on Wall Street, showing off an extraordinary art collection--until his marriage ended and he was arrested for kidnapping his daughter, which exposed his past of astounding deceptions as well as a connection to the bizarre disappearance of a California couple in the mid-1980s. The story of *The Man in the Rockefeller Suit* is a probing and cinematic exploration of an audacious imposter--and a man determined to live the American dream by any means necessary.

NEW YORK TIMES BESTSELLER • The inspiration for *American Crime Story: The People v. O. J. Simpson* on FX, starring Cuba Gooding, Jr., John Travolta, David Schwimmer, and Connie Britton The definitive account of the O. J. Simpson trial, *The Run of His Life* is a prodigious feat of reporting that could have been written only by the foremost legal journalist of our time. First published less than a year after the infamous verdict, Jeffrey Toobin's nonfiction masterpiece tells the whole story, from the murders of Nicole Brown Simpson and Ronald Goldman to the ruthless gamesmanship behind the scenes of "the trial of the century." Rich in character, as propulsive as a legal thriller, this enduring narrative continues to shock and fascinate with its candid depiction of the human drama that upended American life. Praise for *The Run of His Life* "This is the book to read."—Michiko Kakutani, *The New York Times* "This book stands out as a gripping and colorful account of the crime and trial that captured the world's attention."—*Boston Sunday Globe* "A real page-turner . . . strips away the months of circuslike televised proceedings and the sordid tell-all books and lays out a simple, but devastating, synopsis of the case."—*Entertainment Weekly* "A well-written, profoundly rational analysis of the trial and, more specifically, the lawyers who conducted it."—*USA Today* "Engrossing . . . Toobin's insight into the motives and mind-set of key players sets this Simpson book apart from the pack."—*People* (one of the top ten books of the year)

Make small changes to your surroundings and create extraordinary happiness in your life with groundbreaking research from designer and TED star Ingrid Fetell Lee. Next Big Idea Club selection—chosen by Malcolm Gladwell, Susan Cain, Dan Pink, and Adam Grant as one of the "two most groundbreaking new nonfiction reads of the season!" "This book has the power to change everything! Writing with depth, wit, and insight, Ingrid Fetell Lee shares all you need to know in order to create external environments that give rise to inner joy." —Susan Cain, author of *Quiet* and founder of Quiet Revolution Have you ever wondered why we stop to watch the orange glow that arrives before sunset, or why we flock to see cherry blossoms bloom in spring? Is there a reason that people—regardless of gender, age, culture, or ethnicity—are mesmerized by baby animals, and can't help but smile when they see a burst of confetti or a cluster of colorful balloons? We are often made to feel that the physical world has little or no impact on our inner joy. Increasingly, experts urge us to find balance and calm by looking inward—through mindfulness or meditation—and muting the outside world. But what if the natural vibrancy of our surroundings is actually our most renewable and easily accessible source of joy? In *Joyful*, designer Ingrid Fetell Lee explores how the seemingly mundane spaces and objects we interact with every day have surprising and powerful effects on our mood. Drawing on insights from neuroscience and psychology, she explains why one setting makes us feel anxious or competitive, while another fosters acceptance and delight—and, most importantly, she reveals how we can harness the power of our surroundings to live fuller, healthier, and truly joyful lives.

When females are rendered a valuable commodity after decades of gender selection that has caused boys to outnumber girls in India's Koyanagar, a girl who wants to avoid marriage and a boy who is forced to compete for a wife thwart each other before realizing they want the same thing. Simultaneous eBook.

The classic political satire about an imaginary ideal world by one of the Renaissance's most fascinating figures. Named after a word that translates literally to "nowhere," Utopia is an island dreamed up by Thomas More, a devout Catholic, English statesman, and Renaissance humanist who would be canonized as a saint centuries after he was executed for choosing God over king. More's novel introduces us to Utopia's society and its customs. It is a place of no private property and no lawyers; of six-hour workdays and simple ways; and, intriguingly, of a combination of values that blend the traditional with the highly controversial, from euthanasia to married priests to slavery. Remarkably thought-provoking, it is a novel that asks us to question what makes a perfect world—and whether such a thing is even possible.

NATIONAL BESTSELLER Now a major motion picture starring Paul Rudd "A delightful book that recounts one of the strangest episodes in the history of espionage. . . . Relentlessly entertaining."—The New York Times Book Review Moe Berg is the only major-league baseball player whose baseball card is on display at the headquarters of the CIA. For Berg was much more than a third-string catcher who played on several major league teams between 1923 and 1939. Educated at Princeton and the Sorbonne, he is reputed to speak a dozen languages (although it was also said he couldn't hit in any of them) and went on to become an OSS spy in Europe during World War II. As Nicholas Dawidoff follows Berg from his claustrophobic childhood through his glamorous (though equivocal) careers in sports and espionage and into the long, nomadic years during which he lived on the hospitality of such scattered acquaintances as Joe DiMaggio and Albert Einstein, he succeeds not only in establishing where Berg went, but who he was beneath his layers of carefully constructed cover. As engrossing as a novel by John le Carré, *The Catcher Was a Spy* is a triumphant work of historical and psychological detection.

\*WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR\* Fever Pitch is Nick Hornby's million-copy-selling, award-winning football classic 'A spanking 7-0 away win of a football book. . . inventive, honest, funny, heroic, charming' Independent For many people watching football is mere entertainment, to some it's more like a ritual; but to others, its highs and lows provide a narrative to life itself. But, for Nick Hornby, his devotion to the game has provided one of few constants in a life where the meaningful things - like growing up, leaving home and forming relationships, both parental and romantic - have rarely been as simple or as uncomplicated as his love for Arsenal. Brimming with wit and honesty, *Fever Pitch*, catches perfectly what it really means to be a football fan - and in doing so, what it means to be a man. 'Hornby has put his finger on truths that have been unspoken for generations' Irish Times 'Funny, wise and true' Roddy Doyle

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries From the New York Times bestselling author of the *Artemis Fowl* series comes a hilarious and high-octane adult novel about a vodka-drinking, Flashdance-loving dragon who lives an isolated life in the bayous of Louisiana—and the raucous adventures that ensue when he crosses paths with a fifteen-year-old troublemaker on the run from a crooked sheriff. In the days of yore, he flew the skies and scorched angry mobs—now he hides from swamp tour boats and rises only with the greatest reluctance from his Laz-Z-Boy recliner. Laying low in the bayou, this once-magnificent fire breather has been reduced to lighting Marlboros with nose sparks, swilling Absolut in a Flashdance T-shirt, and binging Netflix in a fishing shack. For centuries, he struck fear in hearts far and wide as Wyvern, Lord Highfire of the Highfire Eyrie—now he goes by Vern. However...he has survived, unlike the rest. He is the last of his kind, the last dragon. Still, no amount of vodka can drown the loneliness in his molten core. Vern's glory days are long gone. Or are they? A canny Cajun swamp rat, young Everett "Squib" Moreau does what he can to survive, trying not to break the heart of his saintly single mother. He's finally decided to work for a shady smuggler—but on his first night, he witnesses his boss murdered by a crooked constable. Regence Hooke is not just a dirty cop, he's a despicable human being—who happens to want Squib's momma in the worst way. When Hooke goes after his hidden witness with a grenade launcher, Squib finds himself airlifted from certain death by...a dragon? The swamp can make strange bedfellows, and rather than be fried alive so the dragon can keep his secret, Squib strikes a deal with the scaly apex predator. He can act as his go-between (aka familiar)—fetch his vodka, keep him company, etc.—in exchange for protection from Hooke. Soon the three of them are careening headlong toward a combustible confrontation. There's about to be a fiery reckoning, in which either dragons finally go extinct—or Vern's glory days are back. A triumphant return to the genre-bending fantasy that Eoin Colfer is so well known for, *Highfire* is an effortlessly clever and relentlessly funny tour-de-force of comedy and action.

Originally published: Germany: S. Fischer Verlag.

*Meditations* is a series of personal writings by Marcus Aurelius, Roman Emperor from 161 to 180 AD, recording his private notes to himself and ideas on Stoic philosophy

Now a major motion picture starring Robert Redford and Sissy Spacek, *The Old Man and the Gun* is here joined by two other riveting true-crime tales. "The Old Man and the Gun" is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. "True Crime" follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And "The Chameleon" recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been called a "worthy heir to Truman Capote" and "simply the best narrative nonfiction writer working today," as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world.

Combines historical and literary data in this discussion of the sources and background of Shakespeare's plays.

INSTANT NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF 2018 ONE OF THE ECONOMIST'S BOOKS OF THE YEAR "My new favorite book of all time." --Bill Gates If you think the world is coming to an end, think again: people are living longer, healthier, freer, and happier lives, and while our problems are formidable, the solutions lie in the Enlightenment ideal of using reason and science. By the author of the new book, *Rationality*. Is the world really falling apart? Is the ideal of progress obsolete? In this elegant assessment of the human condition in the third millennium, cognitive scientist and public intellectual Steven Pinker urges us to step back from the gory headlines and prophecies of doom, which play to our psychological biases. Instead, follow the data: In seventy-five jaw-dropping graphs, Pinker shows that life, health, prosperity, safety, peace, knowledge, and happiness are on the rise, not just in the West, but worldwide. This progress is not the result of some cosmic force. It is a gift of the Enlightenment: the conviction that reason and science can enhance human flourishing. Far from being a naïve hope, the Enlightenment, we now know, has worked. But more than ever, it needs a vigorous defense. The Enlightenment project swims against currents of human nature--tribalism, authoritarianism, demonization, magical thinking--which demagogues are all too willing to exploit. Many commentators, committed to political, religious, or romantic ideologies, fight a rearguard action against it. The result is a corrosive fatalism and a willingness to wreck the precious institutions of liberal democracy and global cooperation. With intellectual depth and literary flair, *Enlightenment Now* makes the case for reason, science, and humanism: the ideals we need to confront our problems and continue our progress.

Written in the 16th century, *The Prince* remains one of the most influential books on political theory. Its author, Niccolò Machiavelli was an Italian diplomat and political theorist, and is considered the father of modern political thought.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Vanity Fair's veteran special correspondent pulls back the curtain on the world of celebrity and those who live and die there. Vanity Fair's Maureen Orth always makes news. From Hollywood to murder trials to the corridors of politics, this National Magazine Award winner covers lives led in public, on camera, in the headlines. Here she takes us close-up into the world of fame--bridging entertainment, politics, and news--and the lives of those who understand the chemistry, the very DNA, of fame and how to create it, manipulate it, sustain it. Moving from former Prime Minister Margaret Thatcher to Michael Jackson, the ultimate child/monster of show business, Orth describes our evolution from a society where talent attracted attention to a place where the star-making machinery of the "celebrity-industrial complex" shapes, reshapes, and sells its gods (and monsters) to the public. From divas letting their hair down (Tina Turner) to Little Gods (Woody Allen and Princess Diana's almost father-in-law Mohammed Fayed), political theater (Arnold's Hollywood hubris, Arianna Huffington's guru-guided gubernatorial quest), news-gone-soap-opera (*I Love Laci*), and even the Queen Mother of reinvention (Madonna as dominatrix/children's-book author), Orth delivers a portrait of an era. *The Importance of Being Famous* shows us the real world of the big room where the rules that govern mere mortals don't matter--and anonymity is a crime.

The instant #1 New York Times bestseller "Ripped from the headlines . . . Combining in-depth, investigative reporting and fresh interviews, the authors effectively tabloid-proof this shocking, celebrity-driven story by lining up the facts and labeling rumors." --USA Today Aaron Hernandez was a college All-American who became the youngest player in the NFL and later reached the Super Bowl. His every move as a tight end with the New England Patriots played out the headlines, yet he led a secret life--one that ended in a maximum-security prison. What drove him to go so wrong, so fast? Between the summers of 2012 and 2013, not long after Hernandez made his first Pro Bowl, he was linked to a series of violent incidents culminating in the death of Odin Lloyd, a semi-pro football player who dated the sister of Hernandez's fiancée, Shayanna Jenkins. *All-American Murder* is the first book to investigate Aaron Hernandez's first-degree murder conviction and the mystery of his own shocking and untimely death.

This "superbly written true-crime story" (Michael Lewis, *The New York Times Book Review*) masterfully brings together the tales of a serial killer in 1970s Alabama and of Harper Lee, the beloved author of *To Kill a Mockingbird*, who tried to write his story. Reverend Willie Maxwell was a rural preacher accused of murdering five of his family members, but with the help of a savvy lawyer, he escaped justice for years until a relative assassinated him at the funeral of his last victim. Despite hundreds of witnesses, Maxwell's murderer was acquitted--thanks to the same attorney who had previously defended the reverend himself. Sitting in the audience during the vigilante's trial was Harper Lee, who spent a year in town reporting on the Maxwell case and many more trying to finish the book she called *The Reverend*. Cep brings this remarkable story to life, from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers.
